## Rule 2.3 THE APPLICATION PROCESS

### A. Making the Application for Licensure

1. The current rules and regulations regarding licensure, as well as all application forms, are available online at the Board website, <http://www.swmft.ms.gov/swmft>. The applicant may also request an official application packet for licensure as a marriage and family therapist, and a copy of the current rules and regulations regarding licensure from the Board for a fee as prescribed in Part 1903, Chapter 5, Rule 5.2.
2. Additional copies of the required forms may be made as needed.
3. It is the responsibility of the applicant to see that all forms, supporting documents, references, fees, transcripts, etc. are completed, signed and notarized as required and sent to the Board in a timely manner.

4. The Board will not consider an application as complete until all forms, documentation, references, fees, transcripts, etc. have been received by the Board.
5. Inaccurate information or misrepresentation of facts on any form submitted to the board may result in a denial of licensure or revocation of the license at a later date.

B. Board Consideration of Licensure Applications

1. The Board will consider all applications under the rules and regulations for licensure that are in effect on the date the application was received by the Board.
2. The Board will consider the applications when all related items are in the file. If the Board approves the application, the applicant will be notified in writing. If the application is not approved, the applicant will be notified in writing of the reason(s).
3. If the application is approved, the board will notify the applicant of the amount of the initial license fee that is due, depending on the time during the year when the application was approved. The license fee must be paid in full before the license is issued.
4. Once the license fee is paid in full, the Board will assign a license number and issue the applicant an official certificate.

C. Disposition of Incomplete or Deficient Applications

1. Removal of Deficiencies:

If a preliminary review of the application by the Board reveals that the application is incomplete or has a minor deficiency, the applicant will be notified in writing. The applicant will be given six (6) months from the date of the first notice to remedy the problem while the application is held on active status by the Board. Applicants may, at the discretion of the Board, be granted one (1) additional extension, not to exceed six (6) months, for unusual extenuating circumstances upon a written request, with full explanation of circumstances,

submitted to the Board before the expiration of the initial six (6) months extension.

2. Abandoned Applications:

Incomplete applications will be considered abandoned after sixty (60) calendar days from the date of the approval by the Board, to pay the initial license fee. Any fees paid shall not be refunded.
- b. Submission of New Application: Once an application has been declared abandoned by the Board, the applicant may submit a completely new application for licensure under the rules and regulations in effect at the time the new application is submitted.

Rule 2.4 Status of License

- A. Active or in Good Standing: Is the status held by a licensee who has complied, and is in compliance, with all of the licensure and licensure renewal requirements of the Board and has no disciplinary actions against the license or licensee. Licensees on active status and in good standing may utilize the Board's online renewal system.
- B. Denied: The Board determines that the applicant or licensee has failed to meet any requirement or standard established by the *Mississippi Marriage and Family Therapy Licensure Act of 1997*, as amended, and/or these Rules

and Regulation or the applicant or licensee has failed to comply with the laws, rules and regulations pertaining to the practice of marriage and family therapy.

- C. **Revoked:** Disciplinary action taken by the Board extinguishing or terminating a license or certificate and all rights, privileges and authority previously conferred and associated with the license or certificate. The person may not practice marriage and family therapy during the time the license is revoked unless he or she is exempt from the requirements of licensure by the Board as provided by Section 73-54-9 of the Mississippi Code of 1972 as amended. A person whose license has been revoked by the Board may apply for reinstatement as ordered by the Board. The Board may reinstate the license if satisfactory evidence is submitted to the Board proving that all conditions for reinstatement of the license, if any, have been met.
- D. **Suspended:** Action against a license rendering such license, and all rights, privileges and authority previously conferred and associated with the license, without force and effect for a period of time as determined by the Board. The person may not practice marriage and family therapy during the time the license is suspended unless he or she is exempt from the requirement of licensure by the Board as provide by Section 73-54-9 of the Mississippi Code of 1972 as amended. A person whose license has been suspended by the Board may seek reinstatement of the license as ordered by the Board. The Board may reinstate the license if satisfactory evidence is submitted to the Board proving that all conditions for reinstatement of the license, if any, have been met.
- E. **Lapsed:** The status of a license of an individual who has failed to renew the license as of the deadline for renewing (that is, by September 30 of the expiration year of the license). A license that has lapsed is no longer valid and the individual's privilege to practice marriage and family therapy terminates. A licensee may not practice marriage and family therapy during the time his or her license is lapsed. A renewal submitted to the Board less than thirty (30) calendar days after the expiration date of the license is considered a late renewal and will be assessed a late fee. A license lapsed for more than thirty (30) calendar days must be reinstated under the reinstatement process. The license may be reinstated within a two (2) year period by following the reinstatement process. A license that has lapsed for more than two (2) years cannot be renewed or reinstated. The licensee must

apply for a new license and meet the conditions for licensure under the laws and requirements set forth in the rules and regulations that are in effect at the time the new application is received by the Board.

- F. Inactive: A license that has been placed in an inoperative or non-working status in accordance with Board rules and based upon the licensee's certification to the Board that he or she will not practice or offer to practice marriage and family therapy in Mississippi. A Licensed Marriage and Family Therapist may request in writing on the forms provided by the Board that his or her license be placed on inactive status. The Board will consider the request and will notify the licensee of its decision within sixty (60) calendar days of receiving the written request for inactive status. Licensed Marriage and Family Therapy Associates are not eligible for inactive status.

During the period of inactive status, the individual is prohibited from practicing marriage and family therapy or representing or presenting himself or herself as having a license, practice privilege, certificate or registration that entitles one to practice as a marriage and family therapist in Mississippi.

A Licensed Marriage and Family Therapist granted inactive status shall be excused from paying renewal fees until he or she notifies the Board in writing of his or her intention to resume active practice. If a licensee fails to return to active status within two (2) years of being placed on inactive status, the licensee may request an extension in writing on forms provided by the Board for an additional two (2) years. If the licensee does not request an extension in writing on forms provided by the Board or no extension has been granted in writing by the Board, the license will be deemed lapsed on September 30<sup>th</sup> following the end of the inactive status period. The licensee must then apply for a new license under the requirements set forth in the laws, rules and regulations that are in effect at the time the new application is received by the Board.

Each Marriage and Family Therapist licensee on inactive status must provide the Board with satisfactory evidence of having obtained acceptable/approved continuing education hours that would have been required had he or she been licensed in an Active status.

Disciplinary action will be taken against a licensee on inactive status who performs marriage and family therapy in the state of Mississippi or presents him/herself as a licensed marriage and family therapist.

#### **Part1903 Chapter 4 Continuing Education and Licensure Renewal; Reinstatement**

## Rule 4.1 CONTINUING EDUCATION

### A. Purpose

The purpose of this section is to establish the continuing education requirements for licensed marriage and family therapists (LMFT). The LMFT license must be renewed biennially. Licensed marriage and family therapy associates (LMFTA) are not required to participate in continuing education. The continuing education offerings for each discipline (social workers and marriage and family therapists) are approved independently. Licensees should NOT assume that an approved offering for one discipline is also approved for the other discipline. The MBOE website maintains separate lists of approved continuing education offerings for social workers and marriage and family therapists. The primary objective of continuing education must be to maintain and improve the quality of professional services in marriage and family therapy provided to the public; maintain and improve the therapist's knowledge of current research, techniques, and practice; and provide other resources which will improve skill and competence in marriage and family therapy. A licensee will receive credit only for continuing education programs or activities approved by the MFT Continuing Education Committee. Approved programs will be listed on the Continuing Education Offering for MFTs page on the Board's website. Continuing education hours must be relevant to the practice of marriage and family therapy as determined by the Board in accordance with the criteria cited at Part 1903, Chapter 4, Rule 4.1(H) of these Rules and Regulations.

### B. Requirements

All licensed marriage and family therapists must complete twenty-four (24) hours of approved continuing education during every two (2) year license period. No continuing education hours are required for the first renewal period. The Board will accept up to twelve (12) hours of approved distance learning/internet (online) continuing education hours toward the twenty-four (24) hours. Four (4) out of the twenty-four (24) must be approved MFT professional ethics hours. The Board will approve self-directed learning projects and/or distance learning/internet (online) learning courses for the MFT ethics CE requirement for up to two (2) MFT ethics hours of the total twelve (12) allowable distance learning/internet provided hours. All Board

approved supervisors, including those with AAMFT Approved Supervisor standing, must complete two (2) approved hours of MFT supervision continuing education each renewal period. No supervision continuing education hours are required for the first renewal period after obtaining board approved supervisor status. The Board will approve self-directed learning projects and/or distance learning/internet (online) learning courses for up to two (2) of the supervision CE requirement of the total twelve (12) allowable approved distance learning/internet (online). It is the responsibility of each licensee and supervisor to determine in advance that the continuing education activity has been approved by the MFT Continuing Education Committee.

C. Board Continuing Education Committee

The MFT Continuing Education Committee shall consist of designated members of the MFT Discipline Specific Committee. The Board may also select non-Board members who they deem qualified, to serve on the MFT Continuing Education Committee. At least one (1) member of the committee must be a professional educator from a COAMFTE MFT program. The chair of the committee will be a member of the MFT Discipline Specific Committee.

D. Determination of Clock Hour Credits

MFT Continuing Education Committee approved offerings shall be credited with one (1) continuing education clock-hour credit for each one (1) clock-hour spent in the continuing education activity, unless otherwise designated by the Board. Time devoted to registration, organizational business, breakfasts, luncheons, dinners, or other refreshments shall not be counted as instructional or continuing education credit time.

E. Types of Acceptable Continuing Education

Credit will be given only for continuing education programs or activities approved by the MFT Continuing Education Committee. To be acceptable to the MFT Continuing Education Committee continuing education offerings for LMFTs must conform to at least one (1) of the seven (7) content areas specified below under Criteria for Approval of Continuing Education Activities. 4. Presenting workshops, seminars, or lectures that are approved for CE credit for LMFTs will be awarded CEU credit at the rate of two (2) hours of credit for each hour of presentation (if the same offering is presented multiple times during the two (2) year renewal period, the continuing education credit hours may only be counted the first time the offering was presented);
5. Self-Directed Learning Projects and/or Distance Learning/Internet (Online) Learning Courses: Continuing education hours for distance learning/internet learning courses will only be granted for courses approved in advance by the MFT CE Committee. The MFT CE

Committee will grant continuing education hours only after completion of the course and proof of successful completion of post-test, course examination, and/or evaluation from the course provider. No more than twelve (12) hours of the twenty-four (24) required hours may be earned in this manner during each two (2) year renewal period. No more than two (2) of those twelve (12) online hours can be applied to the four (4) required ethics continuing education.

6. Continuing education credit may be earned by Board approved supervisors for clinical supervision of individuals with active Supervision Plans on file with the Board. Supervision may count for no more than ten (10) hours of the biennial continuing education requirement, but not count toward the two (2) hours required for Board approved supervisors to maintain their approved supervisor status; and,

7. An author of a book or peer reviewed article which, as determined by the Board, enhances a marriage and family therapist's knowledge or skill may be granted continuing education credit not to exceed one-half (1/2) of the biannual continuing education requirement.

8. Supervised Self Directed Learning Groups

Licensed marriage and family therapists may earn up to eight (8) continuing education hours for each renewal period through participation in a Board approved supervised self-directed learning group. In order to receive Board approval the following requirements must be met:

- a. The group must be led by a Board Approved supervisor.
- b. A supervision plan documenting the names and license numbers of all participants, proposed learning objectives and an outline of the process for meeting each learning objective must be approved in advance by the MFT Continuing Education Committee. Only plans meeting the criteria for approval of continuing education activities listed in Part 1903, Chapter 4, Rule 4.1(H) of these rules and regulations

will be approved. Failure to submit a plan within the sixty (60) calendar day time period could result in disapproval of the activity for continuing education credit.

- c. Each participant must complete a post evaluation report documenting the effectiveness of the group learning experience and turn it in to the Approved Supervisor leading the group. This report should include evidence that the learning objectives were met. The Approved Supervisor shall maintain these reports for a period of four (4) years following completion of the supervised self-directed learning group experience.
  - d. Participation in each supervised self-directed learning group shall be limited to no less than four (4) and no more than eight (8) participants and a State Approved Supervisor.
  - e. The supervised self-directed learning group supervisor must issue each participant a signed certificate of completion containing the participants name, license number, number of hours completed, dates of attendance, and MFT CE approval number.
  - f. MFT ethics CE hours and Approved Supervisor CE hours will not be awarded for participation in any self-directed learning projects.
  - g. The fee for supervised self-directed learning group approval shall be the same as the fee for becoming a Board Approved Continuing Education Provider.
- F. Application Procedure to Become a Board Approved Continuing Education Sponsor

Appropriate providers may apply to the MFT Continuing Education Committee to become approved providers of continuing education activities. Providers may include, but are not limited to, colleges and

universities, individuals, mental health agencies, private mental health organizations, and professional organizations. Home study programs are encouraged to apply for approved provider status.

Applicants for approved provider status must complete the necessary application and submit it to the MFT Continuing Education Committee and pay any associated fees (see section IX.B) required by the Board. The MFT Continuing Education Committee will evaluate the application and notify the applicant in writing regarding the approval of that application.

If granted, Approved provider status will expire on December 31 of each year. However, if an initial application is approved after September 1, the status will expire December 31 of the following year. Approved providers must reapply each year in order to maintain their approved provider status.

Approved providers are not required to submit an additional application fee per offering during their “approved provider” year. However, they must submit the appropriate application for each individual continuing education offering to the MFT Continuing Education Committee for review and approval. Each approved offering will be issued an approval number that must appear on the certificate provided to the participant. All applications should be received at least sixty (60) calendar days in advance of the offering in order to receive full consideration by the Committee. Failure to submit a plan within the sixty (60) calendar day time period could result in disapproval of the organization or individual as an approved provider of continuing education.

G. Approval Procedure for any organization or individual that is not a Board approved sponsor or designated provider

Any organization or individual that is not a Board approved continuing education provider must submit an application for each continuing education offering sixty (60) calendar days prior to the date of the offering. J. Random Audit of Continuing Education Documents

1. The Board ~~will~~ may annually audit or cause to be audited a minimum of twenty percent (20%) of the continuing education reports accompanying the renewal applications. Licensees whose reports are audited will be required to provide a copy of the official documentation of their continuing education activities. If a licensee fails to provide the Board in a timely manner (not to exceed thirty (30) calendar days following the time they are notified of the audit) with official documentation of the total hours listed on their renewal application, the license will be suspended following written notification from the Board and will remain suspended pending further Board action.
2. If, during the audit, the Board disqualifies any of the documented continuing education hours and the licensee does not have sufficient acceptable hours remaining for that renewal period, the Board, at its discretion, may renew the license under the conditions that the continuing education hours will be obtained within six (6) months of the notice of deficiency. Continuing education hours acquired to meet the deficiency may not be applied to any other renewal period. If the licensee does not rectify the deficiency within that six (6) month period, the license will be subject to disciplinary action, including revocation, for failure to comply with the continuing education requirements.

K. Re-evaluation of Continuing Education

A licensee who believes that evidence of continuing education was appraised incorrectly by the Board, may make a written request for re-evaluation to the Board within thirty (30) calendar days of the Board's finding. Verbal requests will not be honored.

L. Waiver of Continuing Education Requirements and Request for Extension of Time to Complete Continuing Education Requirements

1. The Board may waive continuing education requirements to a licensee who was not engaged in the practice of marriage and family therapy during a given continuing education renewal period on an individual basis for reasons of severe illness, disability, military service or other documented hardship or good cause. Any waiver will be granted solely at the discretion of the Board.
2. The Board may extend the time within which to fulfill continuing education requirements to a licensee during a given continuing education renewal period on an individual basis for reasons of hardship, such as severe illness, disability, military service or other good cause. Any waiver or extension of time will be granted solely in the discretion of the Board.

The request must be made in writing, under penalty of perjury, and must set forth with specificity the reasons for requesting the waiver or extension and, in the case of the waiver request, the portion of the renewal period during which the licensee was not engaged in the practice of marriage and family therapy. The licensee shall submit to the Board all documentation in support of the request for waiver or extension and such additional information or documentation as the Board may request in support of the waiver or extension.
4. Waivers of the minimum continuing education requirements may be granted for up to one-half (1/2) of the twenty-four (24) hours of continuing education required for any two-year (biennial) renewal period. Extensions of time (6 month extensions) may be granted by the Board for a period not to exceed one (1) calendar year. The grant of an extension by the Board will result in the renewal of a license based on the condition that the licensee completes the continuing education requirement by the deadline established by the Board.

5. A waiver of continuing education requirements granted pursuant to this section shall be effective only for the biennial period in which such waiver is granted. If the condition(s) which necessitated the waiver continues into the next biennial period, a licensee who seeks another waiver must apply to the Board for a renewal of such waiver for the new biennial period.
6. If an extension of time is granted, the license will be placed on active status, but the license shall be automatically changed to inactive status at the end of the extension period unless the licensee satisfies the continuing education requirement prior to that time. When the license is placed on inactive status, the licensee shall cease all activity requiring a license.
7. A licensee shall apply for a waiver or extension of continuing education requirements no later than thirty (30) calendar days prior to the end of the biennial licensing period for which the waiver or extension is requested. All requests shall be sent to the office of the Board, by certified mail, return receipt requested.
8. An extension of time shall not be granted to any licensee who obtained an extension in the immediately preceding renewal or reporting period in which the licensee held an active license, except in the case of a licensee who is unable to complete the requirements due to military service commitment pursuant to a combat or national emergency assignment.
9. The Board may, as a condition of any extension or waiver granted, require the licensee to make up a portion of the continuing education requirement in the manner determined by the Board.

Rule 4.2      Renewal of License

- A. Expiration Date: All licenses expire on September 30 of the second year of the initial license and all future two (2) year renewal terms. All licenses not renewed on or before September 30 of the appropriate year will lapse. The

Board will not assume responsibility for late renewal applications delayed or lost in the mail.

- B. Renewal Term of Two Years: All renewals will be for a full two (2) year term beginning October 1 and ending September 30.
- C. Notice of Renewal: The Board will send a reminder of renewal and a renewal application to all licensees at the latest address of record on file with the Board. Failure to receive a renewal notice from the Board will not relieve the license holder from the renewal requirement. It is the responsibility of the licensee to maintain an accurate address in their file by sending promptly to the Board a signed notice of any change of address.
- D. Online renewal became available on August 1, 2008. Licensees are encouraged to renew using the online format. Renewal windows will be available from August 1 to September 30 each renewal cycle. Online renewal is available only to active licensees in good standing.
- E. Completed Application for Renewal: The Board cannot act on an application for renewal until it is complete with all the supporting documents, continuing education summary and the renewal fee. If the licensee has never had to submit to a Criminal History Record Information Check, renewing licensees must submit to a current fingerprint criminal history record information check (or FBI name check) conducted by the appropriate governmental authority or authorities within one-hundred eighty (180) calendar days of the completed application. This criminal history record information check must be received by the Board directly from the appropriate governmental authority or authorities, not from the applicant.
- F. Renewal Fee: the renewal fee covers the two (2) year term, and must be paid in full with the renewal application and supporting documentation and no later than the expiration date of the license.
- G. Responsibility of Licensee for Renewal: It is the responsibility of the licensee to obtain renewal application materials from the Board, to obtain the required approved continuing education with verification, and to see that their license is renewed on time. These materials are available online at the Board's website. Failure to receive a notice of renewal does not absolve the

licensee of their responsibility to renew the license before the expiration date. Practicing under an expired or a lapsed license is prohibited. It is, likewise, a misdemeanor punishable by law.

- H. Inactive Renewals: Anyone returning from inactive status must meet the continuing education requirements for the immediate two (2) years prior to the application for renewal or reactivation of license.

The former licensee verifies, by submitting to the Board a notarized affidavit, that they have not engaged in the practice of marriage and family therapy in this state or any other state, or used a title denoting marriage and family therapist qualifications since the expiration, suspension or revocation of his or her license, unless he or she qualifies for exemption from licensure as a marriage and family therapist as provided by Section 73-54-9 of the Mississippi Code of 1972 as amended, or they hold a valid license issued by another state and his or her practice was confined to the state which issued the license.

6. The former licensee must include a letter with the application for reinstatement explaining the reasons for applying for reinstatement.
7. The former licensee must provide satisfactory documentation of completion of all approved continuing education requirements specified by Board Rules and Regulations that would have been required to maintain a current license for the entire period the license has been lapsed or inactive;

Rule 5.4 Proration of the First Year Portion of Initial License Fee

Since all licenses have an expiration date of September 30, the initial license period may be less than two (2) full years, depending on the date the application was approved by the Board. The first year's portion of the initial two (2) year fee may be prorated and billed in the following manner:

**Responsibility of the Applicant or Licensee:**

It is the responsibility of the applicant or licensee to see that their license fees and renewal fees are paid in a timely manner. The Board assumes no responsibility for fees that are lost in the mail, arrive late or otherwise do not reach the Board on time.

**Adjustment of Fee Scale:**

The Board may increase the fees at the discretion of the Board, within the limits provided by State Statute.
