914 C. d.

Schools are permitted to utilize the Mississippi State Board Examination as a final exam upon remittance of application fees. Schools currently on Temporary or Probationary licensed status, and schools that have held a Temporary or Probationary license within the last five years are ~~strongly urged~~ required to do so. Applicants who pass the Mississippi Board Examination will have met the requirements for competency testing and upon graduation may proceed to the Registration process without further State or National testing. All other provisions of the application apply.
