~~**STATE BOARD POLICY**~~

~~The regulations governing the operation of the program for three through five year old children with disabilities are outlined in the document entitled Regulations for Children Ages 3-5. Amendments to that document shall be submitted to the State Board of Education for approval and, upon approval, shall be disseminated by staff to the appropriate personnel in the education community. An up-to-date copy of this document shall be kept on file in the State Department of Education.~~
