**Date Rule Proposed:** August 5, 2008

**Name of proposed rule being terminated:**
SPA2008-033 Reimbursement to laboratory and radiology providers

**Explanation of the purpose of the proposed rule and the reason(s) for proposing the rule:**
Pursuant to Miss Code Ann. § 43-13-117 (1972 as amended), if current or projected expenditures of the Division are reasonably anticipated to exceed the amount of funds appropriated to the Division for any fiscal year, the Governor shall discontinue any or all of the payment of the types of care and services provided under this section that are deemed to be optional services and when necessary, shall institute any other cost containment measures on any program or programs authorized under the article tot he extent allowed under the federal laws governing that program. Therefore, this State Plan Amendment reflects necessary cost containment measures to assure Medicaid operates within expected revenues as described. This State Plan Amendment will affect laboratory and radiology providers.

**Reason(s) for terminating the proposed rule:**
The Division of Medicaid is no longer predicting a deficit for SFY2009.

**Date Proposed Rule Terminated:** September 8, 2008
