Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal: As part of the annual curriculum revision and development process in Career & Technical Education, postsecondary curriculum writing and revision teams (consisting of college faculty, deans and directors, business and industry representatives, and curriculum specialists from Mississippi State University's Research and Curriculum Unit) updated the Paramedic post-secondary curricula. The curriculum was posted online and validated by college faculty, deans and directors at http://info.rcu.msstate.edu/services/validation.asp. The curriculum framework follows the format established for postsecondary career and technical programs. It will be approved for implementation in the 2011-12 school year and must be implemented by Jan. 1, 2013. One minor edit was made on page 11. The terms "first year and second year" were replaced with the terms "term 1, term 2, term 3, term 4) similar to that already on page 12.
