

Proposed Administrative Rule Creating a Remodeler's License
Subclassification for Roofers

1.g. An applicant for a residential remodeler's license may seek licensing for a subclassification to be known as a residential roofer. For this subclassification, there shall be administered a separate roofer's examination and the residential remodeler's license shall be clearly marked that it only licenses the holder as a residential roofer.

All remaining lettered subparagraphs shall be re-lettered following the proposed new subparagraph (g).
