Proposed Rule

Beginning with the 2006 Legislative Session, the following rule is proposed regarding the classification and chapter assignment of legislative bills and resolutions.

1. A classification series will be reserved for **Concurrent Resolutions** beginning with **chapter number 2001**.

Proposed Bill Classification:

- | | |
|----------------------------|----------------------------|
| (1) Appropriations: | Chapter Numbers 1 - 300 |
| (2) General: | Chapter Numbers 301 - 900 |
| (3) Local & Private: | Chapter Numbers 901 - end |
| (4) Concurrent Resolutions | Chapter Numbers 2001 - end |

2. Legislative bills that require **amendments to the state constitution** (proposed constitutional amendments) will be classified as **GENERAL** legislation in the General Laws and any other legislative publications.
