

MISSISSIPPI
POLICY NUMBER 9, Revision 2
SUBGRANTEE CLOSEOUT PROCEDURES
Workforce Investment Act
Office of Grant Management

I. PURPOSE

This policy sets forth the procedures for closing out grants and subgrants. This policy applies to local workforce investment areas, state subgrantees and other entities that receive Workforce Investment Act funds by the allocation, pass-through and subgrant award methods unless otherwise instructed by the Office of Grant Management (OGM).

II. REQUIREMENTS

A. FORMAT

The standard form to be completed to close out a subgrant is included with this policy as the attached Subgrantee Closeout Form.

B. DUE DATE

Local Workforce Areas:

For all allocated grant funds (Administration, Adult, Youth, Dislocated Worker and Incentive/Technical Assistance), **three (3)** closeout packages for each funding stream bearing original signatures shall be submitted to the Office of Grant Management no later than 60 days following the end or termination date of the subgrant or grant, the reported expenditure of all funds allocated for a program year, the end of the time period of availability of funds, or as directed by the Office of Grant Management. After the closeout has been approved and signed by the appropriate OGM staff, one copy with original signatures will be returned to the local area to be retained in the official Subgrant file.

Contractors:

If grant funds are allocated from multiple funding years or from multiple funding sources, **three (3)** closeout packages for each funding source bearing original signatures shall be submitted to the Office of Grant Management no later than 60 days following the end or termination date of the subgrant or grant, the reported expenditure of all funds allocated for a program year, the end of the time period of availability of funds, or as directed by the Office of Grant Management. After the closeout packages have been approved and signed by the appropriate OGM staff, one copy with original signatures will be returned to the contractor to be retained in the official Subgrant file.

C. REVISIONS

The grantee or subgrantee may revise the closeout package no more than once after the initial package is received by the Office of Grant Management. This revision will be accepted no later than 45 days after the approval of the initial closeout. However, additional refunds,

rebates, or credits received after this point will be processed. In this case, a revised final reporting worksheet will be required.

III. INSTRUCTIONS FOR COMPLETING THE CLOSEOUT

A. Grantee/Subgrantee's Closeout Checklist

Every item must be completed and the form must be signed by an authorized signatory official or duly authorized representative. A written explanation must accompany any item that is checked "To Be Sent Separately" or "Unable to Furnish."

1. Grant/Subgrant Compliance

a. Release

The purpose of the Grantee/Subgrantee's Release is to release the unexpended/unobligated balance of the grant/subgrant to the Office of Grant Management.

The figure entered as the "Total amount paid and payable by Office of Grant Management" must reflect the final allowed total actual expenditures. The amount shown must agree with the amount of cumulative costs reported on the final worksheet. (Do not round off expenditures.) The closeout process cannot be completed when there are accrual estimates of costs remaining against the grant/subgrant budget.

b. Assignment of Refunds, Rebates and Credits

Execution of the assignment guarantees immediate remittance to the Office of Grant Management any subsequent refunds or credits applicable to the subgrant. Examples are telephone and insurance refunds.

c. Inventory Certification

The purpose of the Inventory Certification is to account for all items of materials and equipment purchased and/or furnished in accordance with the terms and conditions of the subgrant.

Complete the certification as required. If no equipment was furnished or acquired, so indicate.

d. Certification of Cash Balance

The purpose of the Cash Balance Certification is to provide a statement accounting for the balance of funds on hand applicable to the subgrant in question.

NOTE: Only a zero (-0-) cash balance will be accepted.

e. General Statement of Compliance

The statement of compliance ensures that all other terms and conditions of the grant/subgrant have been met.

NOTE: Two individuals must witness the signature of the authorized signatory official. If the signature is not witnessed, the forms will be returned to the grantee/subgrantee.

2. Final Worksheet

Prepare the final reporting worksheet in accordance with established Office of Grant Management procedures. The final worksheet should contain no accruals, and be clearly marked **FINAL**. **Do not round off expenditures.**

Attach an original signed final reporting worksheet to at least one (1) of the closeout packages to be sent to the Office of Grant Management. The remaining two (2) packages may include either original signed worksheets or photocopies.

3. Outstanding Claimants List

This section and all related sections of the closeout package do not apply to allocated grant funds (Adult, Youth, Dislocated Worker, and Incentive) for which the closeout is completed after the end of availability or when all funds have been expended. All related sections of the completed closeout packages should be marked "Not Applicable."

When unclaimed funds are returned, a list of all possible claimants of these funds shall be prepared and attached to the closeout package as a supplement to the release statement. The list shall include the following pertinent data:

- a. Claimant's name, last known address, amount of money due, and Social Security number (if claimant is a program enrollee) for each individual to whom checks for wages (or other outstanding checks) are due.
- b. For employee (enrollee) checks, indicate the pay period during which the money was earned, including the number of hours, hourly rate of pay, and dates worked.
- c. Check number, date of issuance, and amount of each uncashed check.
- d. Name, address, and telephone number of the staff member to contact in connection with any claim that may arise.

4. Refund Check

The total amount of unused advanced funds and any outstanding claims must be refunded by check with the closeout package. Refund checks shall be made payable to the **State of Mississippi** and shall include a reference to the subgrantee, subgrant number, funding source and program year.

5. Other Documents (Specify)

Include with the closeout package any other additional documents or information as deemed necessary.

B. Deobligation Authorization

This section is for the use of the Office of Grant Management only and is not to be completed by the subgrantee.

C. Identification

Each completed closeout package must include a header in the upper-right corner to include the subgrantee's name and the source and program year of the applicable funds.

NOTE: If a contractor or local area fails to close out a program year within the specified amount of time, the Office of Grant Management may complete an administrative closeout package using fiscal information from the official grant file maintained by OGM. A copy of the administrative closeout will be provided to the local area or the contractor to be maintained as a part of their official grant file.

IV. EFFECTIVE DATE

This policy shall be effective immediately.
