

**11.12 Exam opportunities** – For the initial application, the applicant is allowed three (3) consecutive citations, that is, three (3) consecutive opportunities, to take the examination. The citations “count”, whether the applicant actually takes the examination or not. If the applicant does not pass after three consecutive citations, the initial application is closed.

To attempt the exam again, the applicant must submit a new application to be approved by the Board, and will be allowed only one citation per application, subject to the restrictions below. This one citation “counts”, whether the applicant actually takes the examination or not.

An applicant having three or more unsuccessful attempts of the same exam, regardless of the jurisdiction in which the exam is administered, must submit an application to be readmitted to future administrations of the same exam. If readmitted by the Board, the applicant may take the exam no sooner than eleven months following the most recent attempt.

With reference to the two hour Mississippi Section PS exam, an applicant who cancels an exam which he has previously agreed to attend or who fails to appear on the day of the exam, shall not receive a refund of any exam fee already paid.

**11.13 Examination Results** - Examination results will be supplied by first class mail to the address of record of each examinee.
