

VI. LICENSURE BY EXAMINATION - PODIATRIC MEDICINE

- A. To qualify for admission by examination, an individual shall meet the following requirements, provided that the Board may admit any individual to the examination while reserving its right to deny licensure if that individual fails to meet all requirements for licensure subsequent to success or completion of the examination:
1. Applicant must satisfy the Board that he is at least twenty-one (21) years of age and of good moral character.
 2. Applicant must have had at least four (4) years of high school and be graduate of same; he shall have at least one (1) year pre-podiatry college education.
 3. Present a diploma from a college of podiatric medicine recognized by the Board as being in good standing, subject to the following conditions:
 - a. Any diploma or other document required to be submitted to the Board by an applicant which is not in the English language must be accompanied by a certified translation thereof into English.
 - b. No college of podiatry or chiropody shall be accredited by the Board as a college of good standing which does not require for graduation a course of study of at least four (4) years (eight and one-half [8½] months each) and be recognized by the Council on Education of the American Podiatry Association.
 4. Present certified copy of birth certificate.
 5. Must successfully take an examination for podiatrists which shall be held concurrently with the regular examinations of the Board given in June and December. The applicant shall be examined in the following subjects: anatomy, histology, physiology, chemistry, pharmacy, materia medica, therapeutics, bacteriology, pathology, surgery, dermatology, neurology, physical therapy, diagnosis and roentgenology, orthopedics, chiropody and chiropodial surgery, limited in their scope to the treatment of the human foot and leg, and if found qualified shall receive a license. The minimum of requirements for license shall be a general average of seventy-five percent (75%) of all the subjects involved, provided that a grade of not less than sixty percent (60%) be made on any one (1) subject or branch given in the examination held. However, applicants are encouraged to take the examinations given by the National Board of Podiatry Examiners.

6. Must submit an application for podiatry license on a form supplied by the Board, completed in every detail with a recent photograph (wallet-size/passport-type) attached. A Polaroid or informal snap-shot picture will not be accepted.
7. Submit fee prescribed by the Board.
8. Must appear for a personal interview in the office of the Mississippi State Board of Medical Licensure and successfully pass the Jurisprudence Examination as administered by the Board.
