## MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

TO: Mississippi Secretary of State  
From: Mississippi State Board of Medical Licensure  
Date: May 17, 2007  
Subject: Notice of Proposed Rule Adoption

Mississippi Code §73-43-11 gives the Mississippi State Board of Medical Licensure the authority to promulgate and publish reasonable rules and regulations necessary to enable it to discharge its functions and to enforce the provisions of law regulating the practice of medicine and the conduct of physicians.

This is a new regulation. It provides physicians who are training in an out-of-state training program and wish to do an elective rotation through a Mississippi residency program an avenue of licensure in Mississippi.

Any comments concerning the proposed regulation may be sent to the following address:

Mississippi State Board of Medical Licensure

### **XXXIII. TEMPORARY TRAINING LICENSE FOR OUT-OF-STATE RESIDENTS**

An individual enrolled in an out-of-state postgraduate training program wishing to rotate through an ACGME or AOA approved training program within Mississippi, shall not be required to obtain a restricted temporary license provided the rotation lasts no longer than four (4) weeks. However, the individual must submit the following to the Board:

1. a completed information form which has been supplied by the Board;
2. a letter from the physician's postgraduate training program stating that he or she is going to be participating in a rotation in Mississippi and the duration;
3. a letter from the training program in Mississippi stating the physician will be training with them and the duration;
4. verification of a current license (limited or training), permit, or letter from the state in which the individual is enrolled in a training program; and
5. a licensure fee in the amount of \$50.

The individual may not participate in the Mississippi training program until a valid training license has been issued. The license will be effective the date the individual is to begin the Mississippi rotation and will become null and void the day the individual completes the rotation.

If during the duration of the training, it is determined that the physician may stay longer than four (4) weeks, the temporary training license may be renewed for an additional four (4) weeks. Under no circumstances will the license be renewed after eight (8) weeks. An individual anticipating on rotating through a Mississippi training program for a period longer than eight (8) weeks shall be required to obtain a Restricted Temporary Medical License.

The Board reserves the right to deny issuance of a temporary training license as provided herein based on any of the statutory grounds as enumerated in Mississippi Code, Sections 73-25-29 and 73-25-83.
