This was done under authority of MISSISSIPPI CODE ANNOTATED §§ 49-7-32, 49-1-29, and 49-4-4.

Public Notice of Intent Number LE5-2768(I) is hereby partially repealed, as to any provisions therein related to the Running of Dogs During Spring Turkey Season, and the following rules and regulations are adopted:

Running of Dogs During Spring Turkey Season

It shall be unlawful to run, hunt, chase or pursue with dogs any raccoon, opossum, fox or other wild animals, or wild birds during the spring turkey season (March 8 - May 1), day or night, except as provided herein:

1. In areas that are closed to turkey hunting.
2. In permitted hunting enclosures (all free running dogs must remain inside the enclosure).
3. Bird dog field trials may be held in designated areas during the open spring turkey season after application, inspection, and obtaining a permit from the Department of Wildlife, Fisheries and Parks.
4. Rabbit dog field trials may be permitted during the spring turkey season on lands owned or leased by organized beagle clubs provided the club property is posted by signs every 300 feet and the field trial has been approved by the Department of Wildlife, Fisheries and Parks.
5. The running of raccoon dogs will be allowed from 1 hour after sunset until 3:00 a.m. on the following lands:
 - a. A landowner and their accompanying guests may hunt on any lands titled in his/her name.
 - b. Private lands where hunters have consent from the landowner(s) on a minimum of 250 contiguous acres.
 - c. Public lands, excluding MDWFP Wildlife Management Areas,

where the governmental entity charged with the management of said lands has promulgated regulations allowing running of raccoon dogs during spring turkey season.

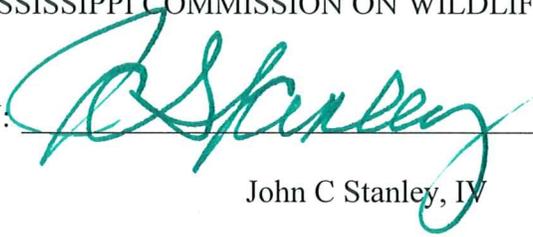

Hunters must obtain a \$5.00 dog permit for each dog and are limited to two dog permits per hunter. Hunters exempt from purchasing a hunting license (MS Code 49-7-5 and 49-7-9) must obtain a dog permit, but will be exempt from the \$5.00 fee. Dogs must wear a functional tracking collar and be identified at all times with the dog permit number and the owner's contact information. A maximum of four dogs is allowed per party. Dogs must be kept upon properties for which consent has been obtained at all times.

In addition to any penalty prescribed by law, the Commission may suspend an individual's hunting privileges and dog permit(s) for a period of one year for violation of any rules and regulations pertaining to this Public Notice.

Anyone wishing to comment on the above proposed action may do so in writing to the Executive Director, Mississippi Department of Wildlife, Fisheries and Parks, P. O. Box 451, Jackson, MS 39205, no later than August 10, 2007.
