

## Chapter 02 Licensure Requirements for the Practice of Medical Doctors and Osteopathic Physicians

### Licensure by Examination

- 100 To qualify for admission by examination, an individual shall meet the following requirements, provided that the Board may admit any individual to the examination while reserving its right to deny licensure if that individual fails to meet all requirements for licensure subsequent to success or completion of the examination:
1. Applicant must satisfy the Board that he or she is at least twenty-one (21) years of age and of good moral character.
  2. Present a diploma from a reputable medical college or college of osteopathic medicine, subject to the following conditions:
    - a. If the degree is from a medical college or a college of osteopathic medicine in the United States or Puerto Rico, the medical college must be accredited at the time of graduation by the Liaison Committee on Medical Education (LCME), a Joint Committee of the Association of American Medical Colleges (AAMC) and the American Medical Association (AMA), or if a college of osteopathic medicine, must be accredited by the Professional Education Committee of the American Osteopathic Association (AOA).
    - b. If the degree is from a Canadian medical school, the school must be accredited at the time of graduation by the Liaison Committee on Medical Education (LCME) and by the Committee on Accreditation for Canadian Medical Schools, as sponsored by the Canadian Medical Association and Association of Canadian Medical Colleges.
    - c. If the degree is from a foreign medical school, applicant must either (i) possess a valid certificate from the ECFMG or (ii) document successful completion of a Fifth Pathway program, as described in Section 101.
    - d. Any diploma or other document required to be submitted to the Board by an applicant which is not in the English language must be accompanied by a certified translation thereof into English.
  3. Applicants for licensure by examination must present documentation of having completed at least one (1) year of postgraduate training in the United States accredited by the Accreditation Council for Graduate Medical Education (ACGME) or by the AOA; or training in Canada accredited by the Royal College of Physicians and Surgeons.
  4. Present certified copy of birth certificate or valid passport.
  5. Subject to the provisions of Section 300.1 and 300.2, an applicant must successfully complete and pass all parts/steps of the FLEX or USMLE.
  6. Complete an application for medical license and submit it to the Board in the manner prescribed by the Board with a recent passport type photograph.
  7. Submit fee prescribed by the Board; however, any fees related to permanent licensure may be deferred for applicants indicating a desire to practice medicine under a Temporary License or Limited License within the confines of an ACGME

or AOA approved postgraduate training program pursuant to Chapter 04 of these regulations.

8. Appear for a personal interview in the office of the Mississippi State Board of Medical Licensure and successfully pass the Jurisprudence Examination as administered by the Board.

101 A Fifth Pathway Program, as a prerequisite for licensure by examination pursuant to Section 100.2.d, will be considered on an individual basis. Students who have completed the academic curriculum in a foreign medical school and who have fulfilled the conditions set forth, may be offered the opportunity to substitute for an internship required by the foreign medical school, an academic year of supervised clinical training prior to entrance into the first year of ACGME or AOA approved postgraduate medical education. The supervised clinical training (Fifth Pathway) must be under the direction of a medical school accredited by the LCME. Fifth Pathway will be available to students who have fulfilled the following conditions:

1. Completed, in an accredited American college or university, undergraduate pre-medical work of the quality acceptable for matriculation in an accredited U.S. medical school.
2. Studied medicine at a medical school located outside the United States, Puerto Rico and Canada but which is recognized by the World Health Organization.
3. Completed all of the formal requirements of the foreign medical school except internship and/or social service.

102 Prior to issuance of a permanent Mississippi medical license, a graduate of a foreign medical school who has successfully completed all other requirements of application for licensure by examination must present documentation of having completed at least three (3) years of ACGME-approved postgraduate training in the United States or training in Canada approved by the Royal College of Physicians and Surgeons.

#### Licensure by Reciprocity or Endorsement

200 The Board endorses, for the purpose of reciprocity, licenses to practice medicine obtained in most states by written examination prior to March 8, 1973. Subject to the provisions of Section 300 below, all applicants for medical licensure by reciprocity who took the FLEX between March 8, 1973, and January 24, 1985, must have passed the FLEX taken in one three-day sitting with a weighted average of 75 or higher in order to obtain licensure in Mississippi. The Board will not accept scores of more than one administration of the FLEX which have been combined (factored) to provide a FLEX weighted average of 75 or higher. From and after January 24, 1985, an applicant for medical licensure by reciprocity must have passed both Components I and II of the FLEX with a score of 75 to be considered the passing grade for each component. From and after June 1994, the Board shall endorse, for the purpose of reciprocity, licenses to practice medicine from applicants who have successfully taken Steps 1, 2 and 3 of the USMLE.

201 Those doctors of osteopathic medicine who graduated prior to June 1, 1973, and who

make application for licensure by reciprocity with another state will be considered only if they took and passed the same written licensure examination given in that state at that time to graduates of medical schools. A statement to this effect will be obtained by this Board from that licensing board.

- 202 The Board may affiliate with and recognize for the purpose of waiving examination and may grant licenses to Diplomates of the NBME; on or after February 13, 1973, to Diplomates of the NBOME and licentiates of the Medical Council of Canada. If a Diplomate of the NBME or NBOME, the applicant must have a Certification of Endorsement from that Board submitted directly to the Board. If seeking endorsement with the Medical Council of Canada, the applicant must have a Certificate of Standing submitted directly to the Board.
- 203 The applicant must have the state board where the original license was obtained by examination submit a certified copy of the examination to the Board.
- 204 The Board may grant a license by reciprocity to a graduate of a foreign medical school who was licensed in another state by written examination prior to March 8, 1973, if he or she is certified by a board recognized by the American Board of Medical Specialties. A statement verifying that the applicant is currently certified must be submitted directly to the Board by the American Board of Medical Specialties Board. The applicant must comply with all other licensure requirements for foreign medical graduates.
- 205 In addition to the above requirements for licensure by reciprocity and/or endorsement, an individual shall meet the following requirements:
1. Applicant must be twenty-one (21) years of age and of good moral character.
  2. Present a diploma from a reputable medical college or college of osteopathic medicine, subject to the following conditions:
    - a. If the degree is from a medical college or a college of osteopathic medicine in the United States or Puerto Rico, the medical college must be accredited at the time of graduation by the Liaison Committee on Medical Education (LCME), a Joint Committee of the Association of American Medical Colleges (AAMC) and the American Medical Association (AMA) or the College of Osteopathic Medicine must be accredited by the American Osteopathic Association (AOA).
    - b. If the degree is from a Canadian medical school, the school must be accredited at the time of graduation by the Liaison Committee on Medical Education (LCME) and by the Committee on Accreditation for Canadian Medical Schools, as sponsored by the Canadian Medical Association and Association of Canadian Medical Colleges.
    - c. If the degree is from a foreign medical school, applicant must either (i) possess a valid certificate from the ECFMG or (ii) document successful completion of a Fifth Pathway program, as described in Section 101, and be currently board certified by a specialty board recognized by the American Board of Medical Specialties or the American Osteopathic Association.

- d. Any diploma or other document required to be submitted to the Board by an applicant which is not in the English language must be accompanied by a certified translation thereof into English.
3. If a graduate from a medical college or college of osteopathic medicine in the United States, Canada or Puerto Rico, applicant must present documentation of having completed at least one (1) year of postgraduate training in the United States accredited by the Accreditation Council for Graduate Medical Education (ACGME) or by the AOA; or training in Canada accredited by the Royal College of Physicians and Surgeons.
4. If a graduate from a foreign medical school, applicant must present documentation of having completed either:
  - a. three (3) or more years of ACGME-approved postgraduate training in the United States or training in Canada approved by the Royal College of Physicians and Surgeons; or
  - b. at least one (1) year of ACGME-approved postgraduate training in the United States or training in Canada approved by the Royal College of Physicians and Surgeons, be currently board certified by a specialty board recognized by the American Board of Medical Specialties or the American Osteopathic Association and must have approval by the Mississippi State Board of Medical Licensure.
5. An applicant who otherwise possesses all of the qualifications for licensure by reciprocity/endorsement, but has not taken a medical proficiency examination or licensure examination within ten (10) years prior to filing his or her application, must pass the Special Purpose Examination (SPEX)<sup>\*</sup> as administered by and under auspices of the Board, unless the applicant:
  - a. Submits satisfactory proof of current certification by an American Board of Medical Specialties or American Osteopathic Association approved specialty board; or
  - b. Submits proof that the applicant's sole purpose for seeking licensure is to serve as the Dean, Chairman of the Department or Faculty of the University of Mississippi School of Medicine. In such case, a license shall remain in effect so long as Licensee is a member of the faculty of the University School of Medicine.
6. Present certified copy of birth certificate or valid passport.
7. Complete an application for medical license and submit it to the Board in a manner prescribed by the Board with a recent passport type photograph.
8. Submit fee prescribed by the Board.
9. Appear for a personal interview in the office of the Mississippi State Board of Medical Licensure and successfully pass the Jurisprudence Examination as administered by the Board.

---

<sup>\*</sup> SPEX (SPECIAL PURPOSE EXAMINATION) is a cognitive examination assisting licensing jurisdictions in their assessment of current competence requisite for general, undifferentiated medical practice by physicians who hold or have held a valid license in a U.S. jurisdiction. SPEX is made available through the Federation of State Medical Boards of the United States, Incorporated.

206 Graduates of foreign medical schools seeking licensure by reciprocity or endorsement via Fifth Pathway Programs will be considered on an individual basis subject to those requirements set forth in Section 101.

## Chapter 03 Licensure Regulations Governing the Practice of Podiatrists

### Licensure by Examination

- 100 To qualify for admission by examination, an individual shall meet the following requirements, provided that the Board may admit any individual to the examination while reserving its right to deny licensure if that individual fails to meet all requirements for licensure subsequent to success or completion of the examination:
1. Applicant must satisfy the Board that he or she is at least twenty-one (21) years of age and of good moral character.
  2. Applicant must have had at least four (4) years of high school and be graduate of same; he or she shall have at least one (1) year pre-podiatry college education.
  3. Present a diploma from a college of podiatric medicine recognized by the Board as being in good standing, subject to the following conditions:
    - a. Any diploma or other document required to be submitted to the Board by an applicant which is not in the English language must be accompanied by a certified translation thereof into English.
    - b. No college of podiatry or chiropody shall be accredited by the Board as a college of good standing which does not require for graduation a course of study of at least four (4) years (eight and one-half [8½] months each) and be recognized by the Council on Education of the American Podiatry Association at the time of graduation.
  4. Present certified copy of birth certificate or valid passport.
  5. Successfully take an examination for podiatrists. The applicant shall be examined in the following subjects: anatomy, histology, physiology, chemistry, pharmacy, materia medica, therapeutics, bacteriology, pathology, surgery, dermatology, neurology, physical therapy, diagnosis and roentgenology, orthopedics, chiropody and chiropodial surgery, limited in their scope to the treatment of the human foot and leg, and if found qualified shall receive a license. The minimum of requirements for license shall be a general average of seventy-five percent (75%) of all the subjects involved, provided that a grade of not less than sixty percent (60%) be made on any one (1) subject or branch given in the examination held. However, applicants are encouraged to take the examinations given by the National Board of Podiatry Examiners.
  6. Complete an application for podiatry license and submit it to the Board in the manner prescribed by the Board with a recent passport type photograph.
  7. Submit fee prescribed by the Board.
  8. Appear for a personal interview in the office of the Mississippi State Board of Medical Licensure and successfully pass the Jurisprudence Examination as administered by the Board.

### Licensure by Reciprocity or Endorsement

- 200 If the original license of an applicant was obtained by state board examination, the applicant must have the state board where original license was obtained by written examination submit a certified copy of the examination directly to the Board.

- 201 The Board may affiliate with and recognize for the purpose of waiving examination and may grant licenses to Diplomates of the National Board of Podiatric Examiners. If a Diplomate of the National Board of Podiatric Examiners, the applicant must have certification of endorsement from that Board submitted directly to the Board.
- 202 In addition to the above requirements for licensure by reciprocity and/or endorsement, an individual shall meet the following requirements:
1. Applicant must be twenty-one (21) years of age, and of good moral character.
  2. Applicant must have had at least four (4) years high school and be graduate of same; he or she shall have at least one (1) year pre-podiatry college education.
  3. Present a diploma from a college of podiatric medicine recognized by the Board as being in good standing, subject to the following conditions.
    - a. Any diploma or other document required to be submitted to the Board by an applicant which is not in the English language must be accompanied by a certified translation thereof into English.
    - b. No college of podiatry or chiropody shall be accredited by the Board as a college of good standing which does not require for graduation a course of study of at least four (4) years (eight and one-half [8½] months each) and be recognized by the Council on Education of the American Podiatry Association at the time of graduation.
  4. Present proof of completion of one (1) year of APMA-approved postgraduate training in the U.S. or Canada.
  5. Present certified copy of birth certificate or valid passport.
  6. Complete an application for podiatry license and submit it to the Board in the manner prescribed by the Board with a recent passport type photograph.
  7. Submit fee prescribed by the Board.
  8. Appear for a personal interview in the office of the Mississippi State Board of Medical Licensure and successfully pass the Jurisprudence Examination as administered by the Board.
