

Division of Medicaid State of Mississippi Provider Policy Manual	New: X Revised: Current:	Date: 08/01/08 Date:
Section: General Medical Policy	Section: 53.20 Pages: 1	Cross Reference: Code Auditing 81.03

The Division of Medicaid (DOM) does not provide separate reimbursement for most Evaluation and Management (E&M) services when a substantial diagnostic or therapeutic procedure is performed. To manage this, DOM utilizes the McKesson ClaimCheck software. ClaimCheck performs unique medical visit editing based on the type of E&M service and the complexity of the accompanying procedure.

For additional information regarding ClaimCheck, refer to Section 81.03 Code Auditing in the General Coding Information manual section.

Division of Medicaid State of Mississippi Provider Policy Manual	New: X Revised: Current:	Date: 08/01/08 Date:
Section: Physician	Section: 55.03 Pages: 1	
Subject: Medical Visit Editing	Cross Reference: Medical Visit Editing 53.20
