## **Chapter 28 Rules Implementing the Mississippi Telephone Solicitation Act**

### **Rule 28**

#### **100. General Rules**

##### **1. No Calls Database**

The Commission shall establish and operate a "no-calls" database composed of a list of residential telephone numbers of consumers who have given notice of their objection to receiving telephone solicitations. This database will be updated quarterly.

##### **2. Use and Access**

Information contained in the database may be used and accessed only for the purpose of compliance with the MTSA and shall not be otherwise subject to public inspection or disclosure. Any person or entity who obtains the "No Call" List is prohibited from selling, sharing, leasing, donating or giving the "No Call" List to anyone not registered as a telephone solicitor with the Commission; provided that this rule shall not prohibit a telephone solicitor from providing the "No Call" List to its employees or contracted company making authorized telemarketing solicitations on behalf of the telephone solicitor provided that the contracted company is identified with the Commission and in compliance with these rules.

##### **3. Availability**

The Commission shall make the "no-calls" database available to telephone solicitors on CD-Rom or via an Internet download.

##### **4. No Call List**

Except as otherwise provided for by law or regulation, a telephone solicitor may not make or cause to be made any telephone solicitation to any consumer in this state unless the telephone solicitor has purchased the "no-calls" database from the Commission. The annual fee for the database shall be one thousand dollars (\$1,000.00) per year if obtained via an Internet download or one thousand five hundred dollars (\$1,500.00) per year for CD-ROM. The fees for access to the "no-calls" database may be revised by the Commission upon proper notice of such change. The fee shall be paid at the time of registration.

##### **5. Registration**

Code Ann. §77-3-723(2), if a telemarketer has an established business relationship (EBR) with the consumer AND uses a recorded voice message to inform the consumer about a NEW product or service, the telemarketer would not have to comply with this rule.
