Specific Legal Authority authorizing the promulgation of
Rule: Miss. Code Ann. §43-13-121(1972), as amended

Reference to Rules repealed, amended or suspended by the
Proposed Rule :
MS State Plan Attachment 3.1-A, Exhibit 16

Explanation of the Purpose of the Proposed Rule and the reason(s) for proposing the rule:

SPA2008-063 This State Plan amendment is being filed to revise accreditation standards for the psychiatric residential treatment facilities. This regulation allows accreditation by the Council on Accreditation of Services for Families and Children (COA) in addition to JCAHO. This State Plan amendment also removes the forty-five day time frame for inpatient psychiatric services. Beneficiaries can receive services longer if prior approved as medically necessary, in psychiatric hospitals or in a psychiatric unit of a general hospital. They are also allowed unlimited days of service if medically necessary in a PRTF. Because of the provision for additional days if medically necessary, the 45-day rules is unnecessary and has not been used because of the exception.

This rule is proposed as a [X] Final Rule, and/or a [X] Temporary Rule (Check one or both boxers as applicable.)
