All persons instructing elective training must be approved as an instructor by the BETST.

Procedures

102 Minimum requirements for certification of training instructors for Basic, EMD or Re-Certification courses.

102.01 **Application** Individuals desiring to instruct in BETST-approved courses must thoroughly complete a formal application. These applications must first be submitted to the agency director (i.e. police chief, sheriff, etc.). That director will review and forward the endorsed application to the Board for consideration. Each nominee for certification must meet the following requirements:

102.02 **Education and Experience** ~~The medical portion of an emergency medical dispatch (EMD) course must be taught by an individual possessing a current EMT Intermediate or paramedic state certification. All other instructor applicants must show educational and public safety experience equal to one (1) of the following:~~

(Those applicants who have completed instructor training prior to April 1, 1996 are not required to have attended a Basic Telecommunicator Course.)~~ All applicants desiring to instruct EMD must have completed the Emergency Medical Dispatch course.
3. **Sufficient Knowledge of Subject Matter** The applicant must demonstrate an adequate history as determined by the Board based on training, education, experience, professional credentials and/or proficiency skills suitable to the topic of instruction of which certification is being sought.
4. **Knowledge of Instruction** The applicant shall be cognizant of the methods of instruction and the aids available. Instructors must be able to clearly present the course material and meet the objectives outlined by the Board.

102.03 **Instructor Training Attendance Approval** Prior to any individual attending a Board-approved instructor training course for emergency telecommunications, that individual shall obtain written approval from the Office of Standards and Training.

1. Once an instructor application is submitted and approved, then an individual may attend a ~~course and become certified upon successful completion of the course~~ Board-approved instructor course.
2. After completing the instructor course, the instructor applicant must assist in one formal classroom type course under the observation of a certified instructor. The certified instructor must provide the Board with an evaluation of the instructor applicant's performance. After successfully completing the instructor course and receiving a favorable evaluation the instructor applicant will be eligible for certification by the Board.
3. Instructors conducting the 16 Hour Re-Certification course must have conducted at least three (3) Basic and/or EMD classes as documented by the Board staff and completed an instructor orientation program on the issue of re-certification.
4. An instructor may conduct training only in the vendor course in which he/she has been certified to instruct. ~~That is, Law Enforcement and Fire instructors may instruct in the Basic 40-Hour courses, and Emergency Medical instructors may instruct in the EMD 24-hour or EMD 32-hour courses.~~ The medical portion of an Emergency Medical Dispatch course must be taught by an individual possessing EMT-I, Paramedic, or higher level critical-care medical training.

102.04 **Expiration** - All instructor certifications expire three (3) years from the date of issue.

102.05 **Activity** - All instructors shall remain active during their period of certification. Each instructor shall conduct three (3) Board-approved telecommunications courses within each 36-month period of their certification. Modular courses (commonly referred to as "self-paced" courses) which do not require formal classroom instruction on the part of the instructor do not count towards this requirement. Failure to meet this requirement will result in a non-renewal of instructor credentials at the expiration of certification period.

1. Agencies which elect to send an employee to an instructor training course and do not agree to allow that person to instruct individuals from outside agencies, will not be reimbursed by the Board for that employee's attendance.
2. The Board will provide reimbursement for attendance to instructor certification training when the following two conditions are met:
 - a. The employee's agency head, through the signature on the back of the instructor application, agrees to allow said individual to instruct employees of other agencies, and
 - b. The employee conducts one formal classroom-type course in which that person is a primary or secondary instructor in the course.

1. Instructors shall adhere to the minimum training requirements of the course originators when conducting a course including the number of hours and the materials covered.
2. Instructors shall sign a Memorandum of Understanding from the Board which clarifies what is expected of them when conducting a Basic, EMD or Re-Certification course on behalf of the Board and the requirement to evaluate and assist instructor applicants.

102.07 **Evaluation** - The instructor shall be evaluated periodically by the BETST staff or other qualified individuals on dimensions determined by the Board. Evaluations shall remain on file at the Standards and Training office.

102.08 **Renewal** - Individuals applying for renewal of instructor certification must complete a formal application for renewal. The issuance of a renewal certificate will depend on meeting the following requirements:

1. The renewal application shall be thoroughly completed and signed by the applicant and his/her agency director.
2. The instructor must provide documentation that he/she has conducted a minimum of three Board-approved curriculum courses in a formal classroom setting during the certification period expiring.
3. The instructor must provide documentation of his/her continuing knowledge and experience in the requested area of re-certification.

102.09 Property of certificates As with the professional certificate, the instructor certificate remains the property of the Board. The possession and stewardship of the certificate is the responsibility of the sponsoring agency. The Board may revoke any instructor certificate upon a showing of just cause, which includes, but is not limited to:

1. Administrative error in issuance,
2. Falsification of any information on the application,

4. Conviction or entering a plea of either guilty or nolo contendere, being fined, ordered into probation or pre-trial diversion in relation to a felony or a misdemeanor involving moral turpitude,

7. Any other actions detrimental to professional emergency telecommunication training.

102.10 Staff may take administrative action to suspend, recall, cancel or revoke a professional certificate for any of the purposes stated above. Upon taking administrative action, the certificate holder will be notified by the staff of such action and informed of his/her right to a hearing before the Board.

103 Minimum requirements for the approval of instructors for elective training.

103.01 Sufficient Knowledge of Subject Matter The applicant must demonstrate an adequate history as determined by the Board based on training, education, experience, professional credentials and/or proficiency skills suitable to the topic of instruction of which certification is being sought.

103.03 Approval of Course(s) The "Emergency Telecommunicator Course Certification Request" form must be submitted to the Board thirty (30) days before the start date of the course. The instructor's credentials, course objectives and narrative description of the course must be included. If the course/instructor is approved the Board staff will post the approval on the training calendar.

Note: Course certification request forms may be submitted through Standards and Training's internet based "Forms & Certification Management System" (<https://www.state.ms.gov/mspost/>). Instructors must submit a "MSPOST Client Agency Information form" by mail, facsimile or email to request a User ID and to be assigned a password. The CJA information form can be completed on-line from the Office of Standards and Training's portion of the MS Department of Public Safety's web-site (<http://www.dps.state.ms.us>). An "Application for Instructor Certification" must be submitted and approved on each instructor that is to use the web-based system prior to submitting any other forms.
