Date Rule Proposed: 9/8/2008

Jackson, MS 39215-1700
601-576-7500
Nicholas.Mosca@msdh.state.ms.us

Name of proposed rule being terminated: Mississippi Water Fluoridation Testing and Reporting Regulations

Explanation of the purpose of the proposed rule and the reason(s) for proposing the rule: The proposed rule provides fluoride testing and reporting requirements for public water systems with a community water fluoridation program to assure that fluoride content is adjusted to a level optimal to reduce tooth decay and promote health.

Reason(s) for terminating the proposed rule: The Mississippi State Department of Health determined that the proposed rule should be changed from a regulation to a policy based upon the content of the rule.

Date Proposed Rule Terminated: 12/23/2008

Signature and Title of Person Submitting Rule for Filing
