MEMORANDUM

MISSISSIPPI STATE PERSONNEL BOARD

VCP 0211

Variable Compensation Plan for FY 2011

TO: Elected Officials, Agency Directors and Personnel Officers
State Government Agencies

FROM: Lynn Fitch 
Executive Director

DATE: July 1, 2010

**SUBJECT: ADMINISTRATION OF THE VARIABLE COMPENSATION PLAN FOR
FISCAL YEAR 2011**

A. Statement of Purpose

Administration of the Variable Compensation Plan for Fiscal Year 2011 shall be governed by policies and procedures contained therein. These provisions shall supersede all conflicting policies and procedures for administration of salaries published in the Mississippi State Personnel Board Policy and Procedures Manual, any additional or replacement manuals, and all subsequent changes to the manual, effective close of business June 30, 2010, and shall become an official attachment to the Mississippi SPB Policy and Procedures Manual for Fiscal Year 2011.

The statutory increase or decrease of any salary under the salary setting authority of the State Personnel Board shall comply with the policies below, except where the Legislature may otherwise provide.

The development of the following policies is based upon implementation of legislative intent as expressed in the following language contained in each state service agency's appropriation act:

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2012 do not exceed Fiscal Year 2011 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2011 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2011 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would

VCP 0211

cause the agency to exceed this projected annual cost or the Fiscal Year 2011 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Unless otherwise authorized in this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation, reclassification, realignment, educational benchmark, career ladder, equity salary adjustment, or any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the award of teacher salary increments; the advancement of a trainee/cadet to the next level of a bona fide career ladder; the award of an educational benchmark for the attainment of a Certified Public Accountant License or higher level professional certification based on information provided to the State Personnel Board by the Legislative Budget Office; the immediate replacement of a departing employee with an employee from within state service at a salary level of the departing employee or the FY2011 promotional formula, whichever is less; the emergency appointment of nurses, pharmacists or other health care and child protection professionals at a salary to be determined by the State Personnel Board; or a new hire associated with the American Recovery and Reinvestment Act of 2009. All positions supported by funds available through the American Recovery and Reinvestment Act of 2009 shall be designated as time-limited positions.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

B. Coverage of these Policies

1. These policies shall govern employee salary increases and position changes for:

C. Policy Provisions for Implementation of Legislative Intent

1. Realignment

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year 2011.

2. In-service COLA

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year 2011.

3. Reallocations

- a. Those reallocations which were appropriated in the agency's appropriations act for Fiscal Year 2011 may be entered into the "Position" segment (PO MP RR) of SPAHRS, at the discretion of the appointing authority, on or after July 1, 2010.

For filled positions, agencies must submit a copy of an Experience and Training Record (initialed by the Personnel Director), completed, and signed by the incumbent with a screen print of the appropriate "Reallocation/Reclassification" screen stapled to the front. A Job Content Questionnaire (JCQ) or Role Description Questionnaire (RDQ) must also be submitted to determine if the requested classification is appropriate. **Agencies are encouraged to submit all required documentation electronically.**

- b. For filled positions, only those individuals meeting the education and experience requirements as reflected in the minimum qualifications of the job class will be reallocated.

VCP 0211

- c. The authorized salary for filled positions being reallocated and for vacant reallocations subsequently filled by current state employees shall be determined using the FY 2011 Promotional Formula.
- d. In those cases where individuals do not meet the minimum qualifications for the job classification to which the position is to be reallocated, agencies must resubmit the requested reallocation in their Fiscal Year 2012 Budget Request, if such reallocation is still required.
- e. Reallocations not submitted in accordance with these provisions shall be returned without action.

4. Longevity

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year 2011.

5. Productivity

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year 2011.

6. No Increase to Appropriated Dollars or Projected Annual Cost

On or about July 1, 2010, the State Personnel Board shall publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act.

- a. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2011 appropriation for "Personal Services" when annualized.
- b. At the end of each day, the SPB will publish a report indicating the flexibility available to each agency with regard to the projected annual cost or the appropriated dollars.
- c. If the SPB determines the agency has taken an action that would cause the agency to exceed this projected annual cost or the Fiscal Year 2011 "Personal Services" appropriated level, when annualized, then the action will not be processed until such time as the agency has sufficiently reduced the projected annual cost and/or the appropriation requirement.
- d. If it is determined that through administrative error an agency is out of compliance at any time, SPB staff will reverse all necessary actions on a

last processed, first reversed basis, unless otherwise promptly directed in writing by the agency.

- e. This language is not intended to stop the escalation of time-limited positions. Escalations shall not be considered to cause an agency to exceed the established limits and will not be accounted for in the monthly reports relative to this language.

D. Scope of State Personnel Director's Authority

1. Requests for State Personnel Board Action

All requests for State Personnel Board action under the Variable Compensation Plan for Fiscal Year 2011 shall cite the section of the policy, which authorizes such requests and action by the State Personnel Board. The State Personnel Director shall implement only those salary increases provided for in the appropriation bills for Fiscal Year 2011, which are identified in Section C above, and which are appropriately submitted.

2. Fiscal Year 2011 Promotional Formula

The Fiscal Year 2011 Promotional Formula shall be applied for promotional transfers, upward reallocations, upward reclassifications, and realignments as directed below, and within the authority outlined in the Fiscal Year 2011 appropriations language contained in Section A above. The promotional formula is utilized for the purpose of calculating the promotional max salary. **The actual award up to the max salary is at the discretion of the agency head.** The promotional max salary is the maximum that may be awarded. Unless otherwise permitted by law, no single event, including promotion, reclassification or reallocation, shall exceed the greater of (1) the difference between the starting salary of the current classification and the new classification added to the employee's current salary, or (2) the salary that could be paid to an equally qualified, newly hired employee. The authorized salary for promotion to a vacant position is determined under the following provisions:

- a. When the current salary is greater than the old starting salary, the PRO MAX is equal to the difference between the old and the new starting salaries added to the current salary.

**EXAMPLE**

Current Salary: \$18,220.80
Old Start Salary: \$12,648.12
New Start Salary: \$18,408.60

$\$18,408.60 - \$12,648.12 = \$ 5,760.48$
 $\$ 5,760.48 + \$18,220.80 = \$23,981.28$ PRO MAX

- b. When the current salary is less than or equal to the old starting salary, PRO MAX is equal to the start salary of the new position.
 - c. Where the promotional increase authorized under the promotional formula is less than the salary that could be authorized for a new hire (ten percent above start), Promotional Flex may be awarded under the same criteria set forth under the provisions for "New Hire Flexibility," Section D.5.b.
 - d. The promotional maximum (PRO MAX) should not exceed the end salary of the classification to which promoted.
 - e. For realignments, maximum eligibility shall be the difference between the old and new starting salaries.
3. Limitations on Non-Budgeted Reallocations

All requests for reallocation and realignment must be justified and submitted by the requesting agency as outlined in the Mississippi SPB Policy and Procedures Manual for approval by the State Personnel Board or the State Personnel Director.

Agencies with misclassified positions may include requests for reallocation in their Fiscal Year 2012 Budget Request. However, each agency head shall have the opportunity to document the need for downward or lateral reallocations by demonstrating that a bona fide staffing need exists that cannot be adequately addressed through normal budget procedures.

- a. Reallocations which require State Personnel Director approval must be accompanied by **detailed** on-line justification. The agency must also submit to SPB staff, the appropriate Job Content Questionnaire(s) / Role Description Questionnaire(s), and organizational chart(s), with a screen print of the "Reallocation/Reclassification" attached. **Agencies are encouraged to submit all required documentation electronically.**
- b. If an employee who has received a reallocation returns to his/her previous classification within twenty-four (24) months, the employee shall return to

his/her salary before the reallocation, except as may be adjusted by legislative increases.

- c. The authorized salary for the lateral reallocation of a filled position is no more than the current salary before the reallocation.
- d. All downward reallocations must be justified and submitted by the requesting agency in accordance with State Personnel Board policies and procedures. The salary authorized for the downward reallocation of a **filled** position is determined by the following method:

- (1) The authorized salary for any downward reallocation shall be no greater than the difference between the old and the new starting salaries, subtracted from the current salary. However, at agency head discretion, the authorized salary may be reduced to a lower salary within the new job class pay range to ensure equitable compensation with other employees in the same classification. A written acknowledgement signed by the affected employee shall accompany all downward reallocations.

EXAMPLE

Current Salary:	\$18,408.60
Old Start Salary:	\$18,220.80
New Start Salary:	\$12,648.12

$\$18,220.80 - \$12,648.12 = \$ 5,572.68$
 $\$18,408.60 - \$ 5,572.68 = \$12,835.92 \text{ MAX}$

- (2) In extraordinary circumstances, the agency may request the State Personnel Director to allow the employee to remain at his/her current salary as long as the current salary does not exceed the end salary of the new classification.

4. Reclassifications

Appropriations language, as included in Section A of this policy, suspends reclassifications for Fiscal Year 2011, with the exception of the advancement of a trainee/cadet to the next level of a bona-fide career ladder.

In certain limited circumstances, agency heads may be granted authority by the State Personnel Board to reclassify positions within a class series. Once reclassification authority is approved by the State Personnel Board, reclassification actions may be implemented at the discretion of the agency head. Each year on a date prior to fiscal year conversion, the State Personnel Board

allows each agency to submit requests for changes to the authorized schedule of reclassifications. Only reclassifications of classes that are on the authorized reclassification list shall be implemented.

5. Original Appointments

a. Standard New Hire Salary

The authorized salary for a new hire after June 30, 2009, is at or below the starting salary assigned the class in which employed. At the agency head's discretion, a request to increase an employee's salary to the starting salary may be submitted at any time. At no time will a new employee be hired below the federally mandated minimum wage of \$7.25 per hour.

b. New Hire Flexibility/Promotional Flexibility

Appropriations language, as included in Section A of this policy, suspends new hire flexibility/promotional flexibility for Fiscal Year 2011, with the exception of the emergency appointment of nurses, pharmacists or other health care and child protection professionals.

New Hire Flexibility or Promotional Flexibility may be awarded when the education, experience, or professional certification possessed by the applicant or employee exceeds the minimum requirements for the job classification to which appointed.

Agency heads may request to the State Personnel Director on a case-by-case basis the award of New Hire Flexibility or Promotional Flexibility. The justification that accompanies each individual request to apply New Hire Flexibility or Promotional Flexibility should specifically address why it is of greater value for the agency to employ persons with experience, education, or professional certification which exceeds the minimum qualifications of the job classification, along with a synopsis of the extraordinary qualifications of the candidate in relation to the minimum qualifications of the classification. Agencies should also include their methodology for determining the award of New Hire Flexibility or Promotional Flexibility.

When awarding New Hire Flexibility or Promotional Flexibility, a review of employees in the same agency and job classification should be made to determine that there would be no salary inequity between individuals who possess the same qualifications. Should the flexibility cause a salary inequity, the agency may request consideration from the State Personnel Director to award similar flexibility to affected employees.

VCP 0211

New Hire Flexibility or Promotional Flexibility shall be computed and awarded using the methodology outlined below or the methodology submitted by the agency, not to exceed the maximums outlined in the criteria below:

- (1) Additional directly related experience of at least one year is valued up to a maximum of five percent (5%); and/or

Additional directly related education of at least one year is valued up to a maximum of five percent (5%); and/or

Professional certification directly related, but in excess of any certification required in the minimum requirements of the job classification, is valued up to a maximum of five percent (5%). However, the maximum percentage allowed for a certification shall not exceed the amount set for that certification by the Professional Development Review Committee (PDRC).

- (2) The total cumulative New Hire Flexibility or Promotional Flexibility award for any combination of experience, education, or certification shall not exceed ten percent (10%).
- (3) A SPAHRS screen print of the New Hire Flexibility or Promotional Flexibility request attached to an Experience and Training Record must be forwarded to the State Personnel Board.
- (4) New Hire Flexibility or Promotional Flexibility awards will not be approved in conjunction with job classifications authorized for Recruitment Flexibility.
- (5) In extraordinary circumstances, the agency may request the State Personnel Director to allow more than the maximum of five percent (5%) for additional directly related experience or more than the maximum of five percent (5%) for additional related education. However, under no circumstances shall the total cumulative New Hire Flexibility or Promotional Flexibility award for any combination of experience, education, or certification exceed ten percent (10%).
- (6) New Hire Flexibility/Promotional Flexibility shall not be awarded for appointments or promotions which occurred prior to July 1, 2003.

VCP 0211

c. Agency Head Flexibility

Appropriations language, as included in Section A of this policy, suspends agency head flexibility for Fiscal Year 2011.

Agency Head Flexibility may be awarded to individuals who report directly to the agency head or a key excluded official or advocate substantive agency policy. Requests for Agency Head Flexibility must meet the following criteria:

- (1) An employee must be classified in the non-state service under Section 25-9-107 (c) (xvi), Mississippi Code of 1972, Annotated.
- (2) Agency Head Flexibility increases shall not exceed 25% above the starting salary of the classification.
- (3) If an individual who has received Agency Head Flexibility leaves the Exclude Code 16 position, his/her salary shall be calculated by determining what the salary would have been had he/she not received Agency Head Flexibility.
- (4) Requests for Agency Head Flexibility increases shall be accompanied by the following documentation:
 - (a) Online description of the amount awarded;
 - (b) A signed statement from the employee acknowledging the non-state service status, the amount of salary increase, and the subsequent salary withdrawal upon removal from non-state service status. (See Attached Form X16-0700.)

d. Recruitment Flexibility

Appropriations language, as included in Section A of this policy, suspends recruitment flexibility for Fiscal Year 2011, with the exception of the emergency appointment of nurses, pharmacists or other health care and child protection professionals.

- (1) All requests to recruit applicants at a salary exceeding the assigned starting salary are to be submitted for State Personnel Board approval prior to a job offer or appointment of an applicant. Such a request shall be accompanied by a letter of justification from the agency head describing documented recruitment difficulties experienced by the agency.

VCP 0211

The recruitment difficulties recognized by the Board include, but are not limited to:

- (a) Documented recruitment difficulties for a job class which may be attributed to the established minimum or special qualifications of a job; and/or
- (b) Insufficient labor market availability of qualified applicants and/or availability of a limited applicant pool complicated by a salary range for the job, which is not competitive with the relevant labor market.

Misclassification of a position shall not be used as the basis for a recruitment flexibility request.

- (2) Requests for recruitment flexibility approved by the State Personnel Board for an entire classification or for a specific position shall be valid for a period of twelve (12) months from the effective date of approval. If the agency is unable to fill the position within the twelve (12) month period, the State Personnel Director may authorize an extension of the recruitment flexibility for an additional twelve (12) months.

Should the agency fill the position within the initial twelve (12) months approved by the State Personnel Board and should the incumbent subsequently leave the position, the State Personnel Director may authorize the Recruitment Flexibility for a period of twenty-four (24) months from the original effective date approved by the State Personnel Board.

- (3) If within twelve (12) months from the date of hire, the incumbent of a position which has been authorized for recruitment flexibility transfers to a position which has not been authorized for recruitment flexibility, the salary at transfer shall be established by calculating what the incumbent's salary would have been had the position from which he/she transferred not been authorized for recruitment flexibility.
- (4) At the time of hire, the agency shall submit a written acknowledgment signed by the affected employee certifying that he/she has been notified of and fully understands the recruitment flexibility policies and salary calculations.

When awarding Recruitment Flexibility, a review of employees in the same agency and job classification series should be made to

VCP 0211

determine that there would be no salary inequity between current employees and employees hired using recruitment flex. Should the flexibility cause a salary inequity, the agency may request consideration from the State Personnel Director to award similar flexibility to affected employees.

6. Appointment of New Hires from Agencies or Classifications Not Under the Purview of the State Personnel Board

The authorized salary for an individual hired from a State agency or classification not under the purview of the State Personnel Board into an agency/classification under the purview of the State Personnel Board shall be determined under the provisions for "Original Appointments," Section D.5.

7. Appointment of Executive Directors

For the purposes of this section, the supervisory authority is the individual, board or commission which may terminate an agency head either at will or through due process as specified by legislation. For agencies where no supervisory authority is specified, the State Personnel Board will set the salary of the agency head.

a. Initial Salary

The supervisory authority responsible for appointing each Executive Director shall have the flexibility at the time of hire to establish the salary of the appointed official up to mid-point within the appropriate range during the first twelve (12) months of hire. If the individual being appointed has served as an executive director for another state agency for at least twelve (12) months, then the appointing authority may establish the salary up to the end salary of the appropriate range. The salary shall be based upon factors directly related to job performance such as previous work experience and educational attainment. The following documentation shall be submitted at the time of the appointment:

- (1) A letter of appointment, signed by the Governor or the chairperson of the appointing board or commission;
- (2) An Experience and Training Record completed by the employee; and
- (3) A copy of the official minutes wherein the employment decision was reached.

VCP 0211

b. Subsequent Salary Increases

Appropriations language, as included in Section A of this policy, suspends increases for executive directors beyond mid-point for Fiscal Year 2011.

Upon approval of the State Personnel Director, supervisory authorities may increase the salary of an Executive Director at any time after initial appointment, except as otherwise limited above in Section D.7.(a).

In no case will an Executive Director exceed the end salary of the position. However, the salary range of an incumbent Executive Director shall be increased an amount equal to the educational benchmark(s) awarded under the provisions of Section D.9.e.

The salary of an incumbent agency head may not be reduced without approval of the State Personnel Board.

The following documentation shall be submitted at the time of request:

- (1) A screen print of the appropriate "Change Compensation" screen in SPAHRS; and
- (2) A copy of the official minutes wherein the increase was requested.

c. Executive Salaries Set in Statute

If an Executive Director whose salary is set by statute is transferred or reallocated to an Executive Director position not set in statute, the salary of that individual may be established under the provisions of Section D.7 above.

8. Replacement of a Departing Employee

a. In the event an employee transfers to another position within or outside the agency or leaves state service, the hiring agency may replace that employee with an individual from within state service at a salary level up to that of the departing employee or using the FY 2011 Promotional Formula, whichever is less.

- (1) Current state employees are authorized a salary up to the salary of the departing employee or the FY 2011 Promotional Formula, whichever is less.
- (2) Individuals hired from outside the state service or from a State agency or classification not under the purview of the State

Personnel Board shall be hired under the provisions for "Original Appointments," Section D.5.

- b. If an employee who has been transferred to a higher job class returns to his/her previous classification within twenty-four (24) months, the employee shall return to his/her salary before the transfer, except as may be adjusted by legislative increases.

9. Transfers

- a. The authorized salary for a current state employee transferring to a higher-level position is current salary or the new starting salary, whichever is greater, except as otherwise provided in Section D.8. above.

- b. Lateral Transfers

- (1) The authorized salary for a lateral transfer is no more than the current salary before the transfer.
- (2) If an employee who has been laterally transferred returns to his/her previous classification within twenty-four (24) months, the employee shall return to his/her salary before the transfer, except as may be adjusted by legislative increases.

- c. Demotional Transfers

The authorized salary for any demotional transfer shall be no greater than the difference between the old and the new starting salaries, subtracted from the current salary. However, at agency head discretion, the authorized salary may be reduced to a lower salary within the new job class pay range to ensure equitable compensation with other employees in the same classification.

EXAMPLE

Current Salary:	\$18,408.60
Old Start Salary:	\$18,220.80
New Start Salary:	\$12,648.12

$\$18,220.80 - \$12,648.12 = \$ 5,572.68$
 $\$18,408.60 - \$ 5,572.68 = \$12,835.92 \text{ MAX}$

- (1) A written agreement signed by the affected employee shall accompany voluntary demotions.

VCP 0211

- (2) A written acknowledgment signed by the affected employee, or a statement from the appointing authority or his/her designee certifying that the employee has been notified of the demotion, shall accompany involuntary demotions.
 - (3) If an employee who has been promoted returns to his/her previous classification within twenty-four (24) months, the employee shall return to his/her salary before the promotion, except as may be adjusted by legislative increases.
 - (4) In extraordinary circumstances, the agency may request the State Personnel Director to allow the employee to remain at his/her current salary, as long as the current salary does not exceed the end salary of the new classification.
10. Policies and Procedures for the Award of Educational Benchmarks for Completion of Training and Development Programs

Appropriations language, as included in Section A of this policy, suspends educational benchmarks for Fiscal Year 2011, with the following exceptions:

VCP 0211

It is the intent of the State Personnel Board to establish policies governing the award of monetary benchmarks for completion of employee training and development programs. These policies are for the purpose of providing employees opportunities to continue acquiring professional skills, knowledge, and expertise.

The State Personnel Director is authorized to certify requests to award Educational Benchmark increases on a case-by-case basis. Employees may receive an educational benchmark for the possession or attainment of education, licensure, certification, or registration, which exceed the level of minimum qualifications listed for the employee's assigned job class.

a. General Benchmark Policies

- (1) Requests for Educational Benchmark awards are made at the discretion of the agency head.
- (2) Educational benchmarks shall not be awarded for degrees, licenses, certifications or registrations obtained prior to July 1, 2003.
- (3) During any one fiscal year, an individual shall not receive more than 5% for educational degrees, 5% for the Certified Public Manager Program, or 5% for licensure, certification, and/or registration.
- (4) No Educational Benchmark shall be awarded for degrees, licensure, certification, or registration, which the incumbent possessed at the time of hire.
- (5) If the employee being awarded an Educational Benchmark is currently at end salary of his or her classification, or should the benchmark cause an employee's salary to exceed end salary, that portion of the benchmark exceeding end salary shall be paid as a one-time lump-sum payment.
- (6) Any new hire flexibility, recruitment flexibility, or other discretionary compensation awarded for, or in anticipation of future educational achievement, licensure, or certification shall not result in a subsequent award of an Educational Benchmark for the same achievement.
- (7) Educational Benchmarks shall not be awarded for degrees, licensure, certifications, or registrations, which are required by law for performance of job duties.

b. Degrees

Increases in increments of up to five percent (5%) **may** be awarded to employees obtaining one each of the following degrees: Associate's, Bachelor's (in no case shall the cumulative award for the achievement of an Associate's Degree and a Bachelor's Degree exceed five percent (5%)), Master's, Specialist and Doctoral.

c. Licensure/Certification/Registration

Increases of up to five percent (5%) **may** be awarded to employees acquiring licensure, certification, or registration **directly related** to their jobs.

Generally, employees in information technology classifications may only receive increases related to the completion of educational degrees, the Basic Supervisory Course, the Certificate in Supervisory Management, the Certified Public Manager program, and the Stennis Executive Development Institute. However, an employee may be awarded an increase for obtaining a certification developed and administered by their employing agency, which is directly related to the mission of the agency.

d. Basic Supervisory Course and Certified Public Manager (CPM) Program

In addition to benchmarks for educational degrees, employees **may** receive an Educational Benchmark for the Basic Supervisory Course and certification in the Certified Public Manager (CPM) program. The following scale indicates the maximum that may be awarded for achievements in these programs:

1% increase-Basic Supervisory Course (BSC)

2% increase-Certificate in Supervisory Management (CSM)

3% increase-Completion of Certified Public Manager (CPM) Program

Note: An employee who has completed the CSM and /or the CPM will not be eligible for a 1% increase for subsequently completing the BSC.

e. Educational Benchmarks for Executive Directors

In accordance with Section 25-3-34, Mississippi Code of 1972, Annotated, as amended, in addition to the salary established by the State Personnel Board for agency heads previously included in Section 25-3-33 (said section now repealed), agency heads may receive the award of educational

VCP 0211

benchmarks as defined in State Personnel Board rules for the possession or attainment of any of the following:

- (1) The Certified Public Manager designation;
- (2) A job-related PhD (Doctor of Philosophy) degree which is not required as a minimum qualification of the position;
- (3) A job related certification, licensure, or registration requiring the passage of an examination, which is not required as a minimum qualification of the position.

No such official or employee may receive more than a total of three (3) eligible benchmarks, only one of which may be for a job related certification, licensure or registration.

The end salary may be extended to accommodate educational benchmark increases as provided for in Section 25-3-34 of state law.

11. Special Compensation Plans

Appropriations language, as included in Section A of this policy, suspends special compensation plans for Fiscal Year 2011, with the exception of the award of teacher salary increments and increases associated with trainee programs.

Further, to qualify for a teacher pay increase, agencies must complete Form SPC-0705 (Attached), which certifies that recipients of increases are performing duties directly related to the education of patients/clients.

12. Additional Compensation

Appropriations language, as included in Section A of this policy, suspends additional compensation for Fiscal Year 2011, with the exception of those positions currently authorized for additional compensation.

Certification of additional compensation shall be limited to those forms of additional compensation previously approved by the State Personnel Board, with the exception of call-back/overtime pay and any other form of compensation that may be subject to the Fair Labor Standards Act during Fiscal Year 2011. The State Personnel Board shall consider other requests for additional compensation where the requests are justified by demonstrating that delayed implementation would seriously impair critical agency operations. The State Personnel Board shall not consider new requests to undertake additional compensation not currently authorized except as a bona fide staffing need or as a part of the Fiscal Year 2011 budget request.

13. Salary Increases Which Exceed the Agency Head

In accordance with Section 25-3-39, Mississippi Code of 1972, Annotated, as amended:

- a. No public officer, public employee, administrator or executive head of any arm or agency of the state, in the executive branch of government, shall be paid a salary or compensation, directly or indirectly, greater than one hundred fifty percent (150%) of the maximum salary fixed in section 25-3-31 Mississippi Code of 1972, Annotated, as amended, for the Governor. All academic officials, members of the teaching staffs and employees of the state institutions of higher learning, the State Board for Community and Junior Colleges, and community and junior colleges, and licensed physicians who are public employees, shall be exempt from this subsection. The Governor shall fix the annual salary of the Executive Director of the Mississippi Development Authority and the annual salary of the Chief of Staff of the Governor's Office, which salaries shall be completely paid by the state and may not be supplemented with any funds from any source, including federal or private funds. Provided, however, that the salary of the Executive Director of the Mississippi Development Authority and the Governor's Chief of Staff shall not be greater than one hundred fifty percent (150%) of the salary of the Governor. Furthermore, all professional employees who hold a bachelor's degree or more advanced degree from an accredited four-year college or university or a certificate or license issued by a state licensing board, commission or agency and who are employed by the Department of Mental Health shall be exempt from this subsection if the State Personnel Board approves the exemption.
- b. No public officer, employee or administrator shall be paid a salary or compensation, directly or indirectly, in excess of the salary of the executive head of the state agency or department in which he/she is employed. Provided, however, the State Personnel Board may, based upon its findings of fact, exempt **physicians and actuaries** from this subsection when the acquisition of such professional services is precluded based on the prevailing wage in the relevant labor market.
- c. Compensation, for purposes of this section, is defined as the employee's base salary and any additional or special compensation, less paid fringe, authorized by state or federal law or as otherwise provided in State Personnel Board policy. Further, agencies are required to ensure that all employees subject to the overtime provisions of the Fair Labor Standards Act of 1938, as amended, are not scheduled to work hours that could cause

VCP 0211

the employee's total annual compensation to exceed that of the governor or the agency director.

- d. In reference to the language contained in Section 12.a above, the State Personnel Board shall review requests for salary exemption from the Department of Mental Health for employees who hold a bachelor's degree or more advanced degree from an accredited four-year college or university or a certificate or license issued by a state licensing board, commission or agency on a case-by-case basis.
- e. In reference to the language contained in Section 12.b above, the State Personnel Board has determined that the salaries of physicians and actuaries are exempt from Section 25-3-39, Mississippi Code of 1972, Annotated, as amended.

14. Reappointments for Employees Returning From an Authorized Leave of Absence without Pay

The authorized salary for an individual returning from an authorized leave of absence to the same job class from which the individual was separated, and within twelve (12) months of separation, is no more than the current salary at the time of the separation, except as may be adjusted by any salary increase authorized by the Legislature and/or through non-appropriated realignment.

15. Reemployment for Employees Returning to State Service after Separation in Good Standing

- a. The authorized salary for an individual returning to state service employment within the same job class from which the individual was separated is no more than the current salary at the time of the separation, except as adjusted by any job class realignment.
- b. The authorized salary for an individual returning to state service employment but to another job classification is determined under provisions for "Original Appointments," Section D.5., without regard to the initial reasons for separation.

E. Performance Appraisal Review (PAR) Requirements

- 1. Each agency shall have the Performance Appraisal Review (PAR) system in place. All state service employees, and non-state service employees whose positions fall under the purview of the State Personnel Board's salary setting authority [Refer to Section B.1.b herein] shall be covered under the Performance Appraisal Review (PAR) policies certified by the State Personnel Board.

VCP 0211

2. The Performance Appraisal Review system shall be incorporated in all aspects of personnel administration and shall be maintained for each employee on a continuous basis throughout each year. A current PAR rating shall be on file and be provided with, or submitted prior to, requests for processing personnel actions.

POLICY
MEMORANDUM

MISSISSIPPI STATE PERSONNEL BOARD

APM-0210 VCP 0211

Policy Memorandum No. 2 – FY 2010 Variable Compensation Plan for FY 2011

TO: Elected Officials, Agency Directors and Personnel Officers
State Government Agencies

FROM: Lynn Fitch 
Executive Director

DATE: July 1, 2009 2010

**SUBJECT: ADMINISTRATION OF THE VARIABLE COMPENSATION PLAN FOR
FISCAL YEAR 2010 2011**

A. Statement of Purpose

Administration of the Variable Compensation Plan for Fiscal Year ~~2010~~ 2011 shall be governed by policies and procedures ~~in this memorandum~~ contained therein. These provisions shall supersede all conflicting policies and procedures for administration of salaries published in the *Mississippi State Personnel Board (MSPB) Policy and Procedures Manual*, any additional or replacement manuals, and all subsequent changes to the manual, effective close of business June 30, ~~2009~~ 2010, and shall become an official attachment to the *MSPB Policy and Procedures Manual* for Fiscal Year ~~2010~~ 2011.

The statutory increase or decrease of any salary under the salary setting authority of the State Personnel Board shall comply with the policies below, except where the Legislature may otherwise provide.

The development of the following policies is based upon implementation of legislative intent as expressed in the following language contained in each state service agency's appropriation act:

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year ~~2011~~ 2012 do not exceed Fiscal Year ~~2010~~ 2011 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year ~~2010~~ 2011 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year ~~2010~~ 2011 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal

Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year ~~2010~~ 2011 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Unless otherwise authorized in this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation, reclassification, realignment, educational benchmark, career ladder, equity salary adjustment, or any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the award of teacher salary increments; the advancement of a trainee/cadet to the next level of a bona fide career ladder; the award of an educational benchmark for the attainment of a Certified Public Accountant License or higher level professional certification based on information provided to the State Personnel Board by the Legislative Budget Office; the immediate replacement of a departing employee with an employee from within state service at a salary level of the departing employee or the FY ~~2010~~ 2011 promotional formula, whichever is less; the emergency appointment of nurses, pharmacists or other health care and child protection professionals at a salary to be determined by the State Personnel Board; or a new hire associated with the American Recovery and Reinvestment Act of 2009. All positions supported by funds available through the American Recovery and Reinvestment Act of 2009 shall be designated as time-limited positions.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

B. Coverage of these Policies

1. These policies shall govern employee salary increases and position changes for:

C. Policy Provisions for Implementation of Legislative Intent

1. Realignment

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year ~~2010~~ 2011.

2. In-service COLA

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year ~~2010~~ 2011.

3. Reallocations

- a. Those reallocations which were appropriated in the agency's appropriations act for Fiscal Year ~~2010~~ 2011 may be entered into the "Position" segment (PO MP RR) of SPAHRS, at the discretion of the appointing authority, on or after July 1, ~~2009~~ 2010.

For filled positions, agencies must submit a copy of an Experience and Training Record (initialed by the Personnel Director), completed, and signed by the incumbent with a screen print of the appropriate "Reallocation/Reclassification" screen stapled to the front. A Job Content Questionnaire (JCQ) or Role Description Questionnaire (RDQ) must also be submitted to determine if the requested classification is appropriate. **Agencies are encouraged to submit all required documentation electronically.**

- b. For filled positions, only those individuals meeting the education and experience requirements as reflected in the minimum qualifications of the job class will be reallocated.

APM-0240 VCP 0211

- c. The authorized salary for filled positions being reallocated and for vacant reallocations subsequently filled by current state employees shall be determined using the FY ~~2010~~ 2011 Promotional Formula.
- d. In those cases where individuals do not meet the minimum qualifications for the job classification to which the position is to be reallocated, agencies must resubmit the requested reallocation in their Fiscal Year ~~2011~~ 2012 Budget Request, if such reallocation is still required.
- e. Reallocations not submitted in accordance with these provisions shall be returned without action.

4. Longevity

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year ~~2010~~ 2011.

5. Productivity

No funds were appropriated for this component of the Variable Compensation Plan for Fiscal Year ~~2010~~ 2011.

6. No Increase to Appropriated Dollars or Projected Annual Cost

On or about July 1, ~~2009~~ 2010, the State Personnel Board shall publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act.

- a. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year ~~2010~~ 2011 appropriation for "Personal Services" when annualized.
- b. At the end of each day, the SPB will publish a report indicating the flexibility available to each agency with regard to the projected annual cost or the appropriated dollars.
- c. If the SPB determines the agency has taken an action that would cause the agency to exceed this projected annual cost or the Fiscal Year ~~2010~~ 2011 "Personal Services" appropriated level, when annualized, then the action will not be processed until such time as the agency has sufficiently reduced the projected annual cost and/or the appropriation requirement.
- d. If it is determined that through administrative error an agency is out of compliance at any time, SPB staff will reverse all necessary actions on a

last processed, first reversed basis, unless otherwise promptly directed in writing by the agency.

- e. This language is not intended to stop the escalation of time-limited positions. Escalations shall not be considered to cause an agency to exceed the established limits and will not be accounted for in the monthly reports relative to this language.

D. Scope of State Personnel Director's Authority

1. Requests for State Personnel Board Action

All requests for State Personnel Board action under the Variable Compensation Plan ~~Policy Memorandum No. 2~~ for Fiscal Year 2011 shall cite the section of the policy memorandum, which authorizes such requests and action by the State Personnel Board. The State Personnel Director shall implement only those salary increases provided for in the appropriation bills for Fiscal Year ~~2010~~ 2011, which are identified in Section C above, and which are appropriately submitted.

2. Fiscal Year ~~2010~~ 2011 Promotional Formula

The Fiscal Year ~~2010~~ 2011 Promotional Formula shall be applied for promotional transfers, upward reallocations, upward reclassifications, and realignments as directed below, and within the authority outlined in the Fiscal Year ~~2010~~ 2011 appropriations language contained in Section A above. The promotional formula is utilized for the purpose of calculating the promotional max salary. **The actual award up to the max salary is at the discretion of the agency head.** The promotional max salary is the maximum that may be awarded. Unless otherwise permitted by law, no single event, including promotion, reclassification or reallocation, shall exceed the greater of (1) the difference between the starting salary of the current classification and the new classification added to the employee's current salary, or (2) the salary that could be paid to an equally qualified, newly hired employee. The authorized salary for promotion to a vacant position is determined under the following provisions:

- a. When the current salary is greater than the old starting salary, the PRO MAX is equal to the difference between the old and the new starting salaries added to the current salary.

EXAMPLE

Current Salary: \$18,220.80
Old Start Salary: \$12,648.12
New Start Salary: \$18,408.60

$\$18,408.60 - \$12,648.12 = \$ 5,760.48$
 $\$ 5,760.48 + \$18,220.80 = \$23,981.28$ PRO MAX

- b. When the current salary is less than or equal to the old starting salary, PRO MAX is equal to the start salary of the new position.
 - c. Where the promotional increase authorized under the promotional formula is less than the salary that could be authorized for a new hire (ten percent above start), Promotional Flex may be awarded under the same criteria set forth under the provisions for "New Hire Flexibility," Section D.5.b.
 - d. The promotional maximum (PRO MAX) should not exceed the end salary of the classification to which promoted.
 - e. For realignments, maximum eligibility shall be the difference between the old and new starting salaries.
3. Limitations on Non-Budgeted Reallocations

All requests for reallocation and realignment must be justified and submitted by the requesting agency as outlined in the *Mississippi SPB Policy and Procedures Manual* for approval by the State Personnel Board or the State Personnel Director.

Agencies with misclassified positions may include requests for reallocation in their Fiscal Year ~~2011~~ 2012 Budget Request. However, each agency head shall have the opportunity to document the need for downward or lateral reallocations by demonstrating that a bona fide staffing need exists that cannot be adequately addressed through normal budget procedures.

- a. Reallocations which require State Personnel Director approval must be accompanied by **detailed** on-line justification. The agency must also submit to SPB staff, the appropriate Job Content Questionnaire(s) / Role Description Questionnaire(s), and organizational chart(s), with a screen print of the "Reallocation/Reclassification" attached. **Agencies are encouraged to submit all required documentation electronically.**
- b. If an employee who has received a reallocation returns to his/her previous classification within twenty-four (24) months, the employee shall return to

his/her salary before the reallocation, except as may be adjusted by legislative increases.

- c. The authorized salary for the lateral reallocation of a filled position is no more than the current salary before the reallocation.
- d. All downward reallocations must be justified and submitted by the requesting agency in accordance with State Personnel Board policies and procedures. The salary authorized for the downward reallocation of a **filled** position is determined by the following method:
 - (1) The authorized salary for any downward reallocation shall be no greater than the difference between the old and the new starting salaries, subtracted from the current salary. However, at agency head discretion, the authorized salary may be reduced to a lower salary within the new job class pay range to ensure equitable compensation with other employees in the same classification. A written acknowledgement signed by the affected employee shall accompany all downward reallocations.

EXAMPLE

Current Salary:	\$18,408.60
Old Start Salary:	\$18,220.80
New Start Salary:	\$12,648.12

$\$18,220.80 - \$12,648.12 = \$ 5,572.68$
 $\$18,408.60 - \$ 5,572.68 = \$12,835.92 \text{ MAX}$

- (2) In extraordinary circumstances, the agency may request the State Personnel Director to allow the employee to remain at his/her current salary as long as the current salary does not exceed the end salary of the new classification.

4. **Reclassifications**

Appropriations language, as included in Section A of this policy, suspends reclassifications for Fiscal Year ~~2010~~ 2011, with the exception of the advancement of a trainee/cadet to the next level of a bona-fide career ladder.

In certain limited circumstances, agency heads may be granted authority by the State Personnel Board to reclassify positions within a class series. Once reclassification authority is approved by the State Personnel Board, reclassification actions may be implemented at the discretion of the agency head. Each year on a date prior to fiscal year conversion, the State Personnel Board

allows each agency to submit requests for changes to the authorized schedule of reclassifications. Only reclassifications of classes that are on the authorized reclassification list shall be implemented.

5. Original Appointments

a. Standard New Hire Salary

The authorized salary for a new hire after June 30, 2009, is at or below the starting salary assigned the class in which employed. At the agency head's discretion, a request to increase an employee's salary to the starting salary may be submitted at any time. At no time will a new employee be hired below the federally mandated minimum wage of \$7.25 per hour.

b. New Hire Flexibility/Promotional Flexibility

Appropriations language, as included in Section A of this policy, suspends new hire flexibility/promotional flexibility for Fiscal Year ~~2010~~ 2011, with the exception of the emergency appointment of nurses, pharmacists or other health care and child protection professionals.

New Hire Flexibility or Promotional Flexibility may be awarded when the education, experience, or professional certification possessed by the applicant or employee exceeds the minimum requirements for the job classification to which appointed.

Agency heads may request to the State Personnel Director on a case-by-case basis the award of New Hire Flexibility or Promotional Flexibility. The justification that accompanies each individual request to apply New Hire Flexibility or Promotional Flexibility should specifically address why it is of greater value for the agency to employ persons with experience, education, or professional certification which exceeds the minimum qualifications of the job classification, along with a synopsis of the extraordinary qualifications of the candidate in relation to the minimum qualifications of the classification. Agencies should also include their methodology for determining the award of New Hire Flexibility or Promotional Flexibility.

When awarding New Hire Flexibility or Promotional Flexibility, a review of employees in the same agency and job classification should be made to determine that there would be no salary inequity between individuals who possess the same qualifications. Should the flexibility cause a salary inequity, the agency may request consideration from the State Personnel Director to award similar flexibility to affected employees.

New Hire Flexibility or Promotional Flexibility shall be computed and awarded using the methodology outlined below or the methodology submitted by the agency, not to exceed the maximums outlined in the criteria below:

- (1) Additional directly related experience of at least one year is valued up to a maximum of five percent (5%); and/or

Additional directly related education of at least one year is valued up to a maximum of five percent (5%); and/or

Professional certification directly related, but in excess of any certification required in the minimum requirements of the job classification, is valued up to a maximum of five percent (5%). However, the maximum percentage allowed for a certification shall not exceed the amount set for that certification by the Professional Development Review Committee (PDRC).

- (2) The total cumulative New Hire Flexibility or Promotional Flexibility award for any combination of experience, education, or certification shall not exceed ten percent (10%).
- (3) A SPAHRS screen print of the New Hire Flexibility or Promotional Flexibility request attached to an Experience and Training Record must be forwarded to the State Personnel Board.
- (4) New Hire Flexibility or Promotional Flexibility awards will not be approved in conjunction with job classifications authorized for Recruitment Flexibility.
- (5) In extraordinary circumstances, the agency may request the State Personnel Director to allow more than the maximum of five percent (5%) for additional directly related experience or more than the maximum of five percent (5%) for additional related education. However, under no circumstances shall the total cumulative New Hire Flexibility or Promotional Flexibility award for any combination of experience, education, or certification exceed ten percent (10%).
- (6) New Hire Flexibility/Promotional Flexibility shall not be awarded for appointments or promotions which occurred prior to July 1, ~~2002~~ 2003.

c. Agency Head Flexibility

Appropriations language, as included in Section A of this policy, suspends agency head flexibility for Fiscal Year ~~2010~~ 2011.

Agency Head Flexibility may be awarded to individuals who report directly to the agency head or a key excluded official or advocate substantive agency policy. Requests for Agency Head Flexibility must meet the following criteria:

- (1) An employee must be classified in the non-state service under Section 25-9-107 (c) (xvi), *Mississippi Code of 1972, Annotated*.
- (2) Agency Head Flexibility increases shall not exceed 25% above the starting salary of the classification.
- (3) If an individual who has received Agency Head Flexibility leaves the Exclude Code 16 position, his/her salary shall be calculated by determining what the salary would have been had he/she not received Agency Head Flexibility.
- (4) Requests for Agency Head Flexibility increases shall be accompanied by the following documentation:
 - (a) Online description of the amount awarded;
 - (b) A signed statement from the employee acknowledging the non-state service status, the amount of salary increase, and the subsequent salary withdrawal upon removal from non-state service status. (See Attached Form X16-0700.)

d. Recruitment Flexibility

Appropriations language, as included in Section A of this policy, suspends recruitment flexibility for Fiscal Year ~~2010~~ 2011, with the exception of the emergency appointment of nurses, pharmacists or other health care and child protection professionals.

~~Currently approved recruitment flexibility includes:~~

~~Nurse I, II, III, IV—Department of Human Services
Psychologist Associate III—Department of Human Services
Psychologist Licensed—Department of Human Services
DHS Area Social Worker Supervisor—Department of Human Services~~

APM-0240 VCP 0211

- (1) All requests to recruit applicants at a salary exceeding the assigned starting salary are to be submitted for State Personnel Board approval prior to a job offer or appointment of an applicant. Such a request shall be accompanied by a letter of justification from the agency head describing documented recruitment difficulties experienced by the agency.

The recruitment difficulties recognized by the Board include, but are not limited to:

- (a) Documented recruitment difficulties for a job class which may be attributed to the established minimum or special qualifications of a job; and/or
- (b) Insufficient labor market availability of qualified applicants and/or availability of a limited applicant pool complicated by a salary range for the job, which is not competitive with the relevant labor market.

Misclassification of a position shall not be used as the basis for a recruitment flexibility request.

- (2) Requests for recruitment flexibility approved by the State Personnel Board for an entire classification or for a specific position shall be valid for a period of twelve (12) months from the effective date of approval. If the agency is unable to fill the position within the twelve (12) month period, the State Personnel Director may authorize an extension of the recruitment flexibility for an additional twelve (12) months.

Should the agency fill the position within the initial twelve (12) months approved by the State Personnel Board and should the incumbent subsequently leave the position, the State Personnel Director may authorize the Recruitment Flexibility for a period of twenty-four (24) months from the original effective date approved by the State Personnel Board.

- (3) If within twelve (12) months from the date of hire, the incumbent of a position which has been authorized for recruitment flexibility transfers to a position which has not been authorized for recruitment flexibility, the salary at transfer shall be established by calculating what the incumbent's salary would have been had the position from which he/she transferred not been authorized for recruitment flexibility.

- (4) At the time of hire, the agency shall submit a written acknowledgment signed by the affected employee certifying that he/she has been notified of and fully understands the recruitment flexibility policies and salary calculations.

When awarding Recruitment Flexibility, a review of employees in the same agency and job classification series should be made to determine that there would be no salary inequity between current employees and employees hired using recruitment flex. Should the flexibility cause a salary inequity, the agency may request consideration from the State Personnel Director to award similar flexibility to affected employees.

6. Appointment of New Hires from Agencies or Classifications Not Under the Purview of the State Personnel Board

The authorized salary for an individual hired from a State agency or classification not under the purview of the State Personnel Board into an agency/classification under the purview of the State Personnel Board shall be determined under the provisions for "Original Appointments," Section D.5.

7. Appointment of Executive Directors

For the purposes of this section, the supervisory authority is the individual, board or commission which may terminate an agency head either at will or through due process as specified by legislation. For agencies where no supervisory authority is specified, the State Personnel Board will set the salary of the agency head.

- a. Initial Salary

The supervisory authority responsible for appointing each Executive Director shall have the flexibility at the time of hire to establish the salary of the appointed official up to mid-point within the appropriate range during the first twelve (12) months of hire. If the individual being appointed has served as an executive director for another state agency for at least twelve (12) months, then the appointing authority may establish the salary up to the end salary of the appropriate range. The salary shall be based upon factors directly related to job performance such as previous work experience and educational attainment. The following documentation shall be submitted at the time of the appointment:

- (1) A letter of appointment, signed by the Governor or the chairperson of the appointing board or commission;

APM-0210 VCP 0211

- (2) An Experience and Training Record completed by the employee; and
- (3) A copy of the official minutes wherein the employment decision was reached.

b. Subsequent Salary Increases

Appropriations language, as included in Section A of this policy, suspends increases for executive directors beyond mid-point for Fiscal Year ~~2010~~ 2011.

Upon approval of the State Personnel Director, supervisory authorities may increase the salary of an Executive Director at any time after initial appointment, except as otherwise limited above in Section D.7.(a).

In no case will an Executive Director exceed the end salary of the position. However, the salary range of an incumbent Executive Director shall be increased an amount equal to the educational benchmark(s) awarded under the provisions of Section D.9.e.

The salary of an incumbent agency head may not be reduced without approval of the State Personnel Board.

The following documentation shall be submitted at the time of request:

- (1) A screen print of the appropriate "Change Compensation" screen in SPAHRS; and

In the event an employee transfers to another position within or outside the agency or leaves state service, the hiring agency may replace that employee with an individual from within state service at a salary level up to that of the departing employee or using the FY ~~2010~~ 2011 Promotional Formula, whichever is less.

- (1) Current state employees are authorized a salary up to the salary of the departing employee or the FY ~~2010~~ 2011 Promotional Formula, whichever is less.
- (2) Individuals hired from outside the state service or from a State agency or classification not under the purview of the State Personnel Board shall be hired under the provisions for "Original Appointments," Section D.5.

c. Demotional Transfers

The authorized salary for any demotional transfer shall be no greater than the difference between the old and the new starting salaries, subtracted from the current salary. However, at agency head discretion, the authorized salary may be reduced to a lower salary within the new job class pay range to ensure equitable compensation with other employees in the same classification.

EXAMPLE

Current Salary: \$18,408.60
Old Start Salary: \$18,220.80
New Start Salary: \$12,648.12

$\$18,220.80 - \$12,648.12 = \$ 5,572.68$

portion of the benchmark exceeding end salary shall be paid as a one-time lump-sum payment.

- (6) Any new hire flexibility, recruitment flexibility, or other discretionary compensation awarded for, or in anticipation of future educational achievement, licensure, or certification shall not result in a subsequent award of an Educational Benchmark for the same achievement.
- (7) Educational Benchmarks shall not be awarded for degrees, licensure, certifications, or registrations, which are required by law for performance of job duties.

b. Degrees

Increases in increments of up to five percent (5%) **may** be awarded to employees obtaining one each of the following degrees: Associate's, Bachelor's (in no case shall the cumulative award for the achievement of an Associate's Degree and a Bachelor's Degree exceed five percent (5%)), Master's, Specialist and Doctoral.
