

**State of Mississippi**

**METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES - OTHER TYPES OF CARE**

---

Other services described in Attachment 3.1-A, Exhibit 13c through 13d are reimbursed according to a statewide uniform fixed fee schedule established through consultation with the State Department of Mental Health.

Mental health services for EPSDT recipients, if medically necessary, which exceed the limitations and scope for Medicaid recipients, as covered in this Plan, are reimbursed on a fee schedule.

Other diagnostic, screening, preventive and rehabilitative services for EPSDT recipients, if medically necessary, which exceed the limitations and scope for Medicaid recipients, as covered in this Plan, are reimbursed on a fee schedule.

The Division of Medicaid, as required by state law, shall reduce the rate of reimbursement to providers for any service by five percent (5%) of the allowed amount for that service.

From April 1, 2010, through June 30, 2010, and/or in the event expenditure reductions or cost containment measures are implemented, the Division of Medicaid may reduce the rate of reimbursement to providers for any service up to an additional fifteen percent (15%) of the allowed amount for that service including Medicare crossover claims.
