**SPECIAL INSTRUCTIONS FOR HOWARD MILLER WILDLIFE MANAGEMENT AREA
PUBLIC NOTICE OF INTENT NUMBER W4 3788(I)**

WMA USER PERMIT: All persons using this wildlife management area, except those exempt from purchasing an annual hunting or fishing license, must carry on their person an annual statewide Wildlife Management Area User Permit. This permit is required in addition to the daily visitor use permit and any required license and may be purchased wherever licenses are sold.

BAG LIMITS: Same as statewide bag limits.

LEGAL SHOT: Only non-toxic shot may be used for hunting migratory game birds on this area.

PERMIT STATIONS: All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be displayed on the dash of the vehicle so that the name, address, and date are visible from outside the vehicle. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit and deposit it in the return box at a permit station. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

SEPTEMBER TEAL SEASON PERMITS: Hunting during the September teal season is allowed by special permit only. You may apply online at www.mdwfp.com. Only one application per hunter will be accepted. Hunters may apply for permitted September teal hunts on no more than 3 WMAs statewide during the 2010-11 season. Completed applications must be received by Aug. 15, 2010 to be eligible for drawing.

WATERFOWL HUNTING PERMITS: All waterfowl hunts, except for the waterfowl youth hunts and the post season light goose conservation order, are draw hunts only. Hunters may apply for permitted waterfowl hunts on no more than 3 WMAs statewide during the 2010-11 season. You may apply online at www.mdwfp.com. Only one application per hunter will be accepted. Completed applications must be received by Nov. 1, 2010 to be eligible for drawing.

WATERFOWL DRAW HUNTING PROCEDURES: Hunt days are Tuesdays, Thursdays, Saturdays, and Sundays. Eight reservation positions are allocated for each day before the season starts. Reservations on Tuesdays and Thursdays are for a 1-day hunt and reservations for Saturdays and Sundays are for a 2-day hunt. Reservation holders draw numbers first from numbered dowels that represent the number of available hunting positions. After reservation holders draw, dowels are added until there are enough dowels for all standby parties to draw. All hunters then select their positions starting with the lowest number first. Draws will be conducted at 5:00 AM. If reservation holders fail to check in by 5:00am, they risk losing their spot to another hunting party if all hunting positions are filled. A total party of 4 hunters per hunt unit is allowed.

OTHER MIGRATORY GAME BIRDS: All other migratory game birds may be hunted in assigned units while on permitted waterfowl hunts during the legal season for the species. Doves may be hunted during the first statewide season split east of the main gravel road. After the regular waterfowl season, migratory game birds may be hunted daily on the WMA during the legal seasons for those species.

NON-HUNTING USE OF THE AREA: During Waterfowl seasons, non-hunting use of the area is allowed by foot traffic only on Sundays and Tuesdays from 12:00 Noon until 3:00 P.M.

DOG RESTRICTIONS: Retrievers allowed during waterfowl hunts. All other dogs prohibited.

OFF-ROAD MOTORIZED VEHICLES/ATVs: Off-road motorized vehicles/ATVs are allowed on designated roads or trails for hunting and fishing access only. No vehicles allowed on levees.

HORSES: No horses allowed.

CAMPING: No camping allowed.

SHOOTING HOURS: Shooting hours for waterfowl end at 12:00 noon. For first season dove hunting shooting hours are from 2:00 PM until sunset. All other migratory bird shooting hours are the same as statewide seasons.

Anyone wishing to comment on the above proposed action may do so in writing to the Executive Director, Mississippi Department of Wildlife, Fisheries and Parks, P. O. Box 451, Jackson, MS 39205, no later than
