Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal:
 Added a new section on Homes for Medically Fragile Children. Agree to be licensed for no more than one special care child at any given time. Placement of more than one special care child may be considered in cases of sibling groups or other extraordinary circumstances. Request must be submitted to the authority for approval prior to any placement. If the specialized home is caring for the siblings of a medically fragile child, these siblings will not receive the special care board rate unless they have also been certified as eligible for that benefit. The changes are due to the Residential and child Placing Licensing Standards being updated.
