

## Registration of Dealers of Petroleum Products

- 105
1. a. Every dealer in gasoline, alcohol blended fuel or other petroleum products, before selling or exposing or offering for sale these products, and annually thereafter, shall be required to register and shall make known to the Commissioner and State Chemist his desire to sell gasoline or alcohol blended fuel or other petroleum products giving the name and manner and kind of pump or pumps he will use at the location of same, and shall display the certificate or certificates of registration issued by the Commissioner of Agriculture and Commerce in a prominent and accessible place in his business where such product is sold. The form of such certificate shall be designated by the Commissioner.
  - b. Prior to selling any product registered in subparagraph a, every dealer shall identify each retailer to which the dealer sells registered products. The identification shall include the owner of the retailer's name and the owner's address and telephone number. The dealer's identification of the retailers to which the dealer sells registered products shall be made annually.
  2. Each registered product and each location where registered product is sold must meet the requirements of the Petroleum Products Inspection Law and the rules and regulations adopted herein in support of the Law before that product will be registered by the Department.
  3. Registration should be made at least 30 days before the dealer desires to sell the product in order to give the Department and the State Chemist adequate time to certify that the product and the location meet the requirements of the Petroleum Products Inspection Law and the rules and regulations adopted herein in support of the law.
