

## **Title 30: Professions and Occupations**

### **Part 3103: Licensure, Practice, Renewal, Continuing Education, Standard of Conduct & Fee**

#### **Part 3103 Chapter 5: Continuing Education**

*Rule 5.1 Definition and philosophy.* Each individual licensed as a physical therapist or physical therapist assistant is responsible for optimum service to the consumer and is accountable to the consumer, the employer, and the profession for evidence of maintaining high levels of skill and knowledge. Continuing education is defined as education beyond the basic preparation required for entry into the profession, directly related to the performance and practice of physical therapy.
