

MISSISSIPPI DEPARTMENT OF FINANCE & ADMINISTRATION

Title 12: **Finance & Administration**

Part 5: **Capitol Facilities**

Part 5 Chapter 1: **Guidelines for the Placement of Honorary Markers on the
Grounds of the New Capitol Building**

Rule 1.1 Purpose

The following guidelines have been established to govern the review and approval process of proposals to place permanent markers on the grounds of the New Capitol Building in honor of individuals and/or organizations. Regarding the placement of honorary markers on the grounds of the New Capitol Building, it should be noted that the grounds have historically been the location of elements that honor individuals rather than groups or organizations with preference given to individuals with a long history of state service or other contributions the State. *It is the policy that the tradition of honoring important individuals associated with state government continues in this most appropriate public location.*

Rule 1.4. Living Markers

Living Markers consist of trees planted in honor of respected citizens of the State of Mississippi.

1. DFA reserves the right to select the tree type and location due to planting conditions, tree hardiness, supply availability, as well as, maintenance and design considerations.
2. Living Markers are not perpetual. The MS Department of Finance & Administration will endeavor to maintain and protect the plant with the best of horticultural practices. Every effort will be made to preserve and protect plants and trees in accordance with the highest horticultural and maintenance standards. However, the State cannot insure the plant from demise or damage due to severe weather conditions, extenuating natural causes, or potential vandalism.
