~~-Non-Conforming Signs.~~

~~*Intent.* Signs which were legally in existence prior to the adoption of this ordinance which do not conform to the provisions of this ordinance are declared non-conforming signs. It is the intent of this section to recognize that the eventual elimination, as expeditiously and fairly as possible, of non-conforming signs is as much a subject of health, safety and welfare as is the prohibition of new signs that would violate the provisions of this ordinance.~~

~~General Non-Conforming Sign Provisions.~~ Subject to the exceptions and amortization schedule hereinafter set forth any non-conforming signs may be continued in operation and maintenance after the effective date of this ordinance, provided that non-conforming signs shall not be:

~~Changed to or replaced with another non-conforming sign including changing the sign face (except on changeable copy signs which comply with this regulation.)~~

~~Structurally altered so as to extend their useful life.~~

~~Expanded.~~

~~Relocated.~~

~~Re-established after damage of more than fifty percent (50%) of the value at the time of such damage or destruction.~~

~~Modified in any way that would increase the degree of non-conformity of such sign.~~

~~Nothing in this ordinance shall prevent the strengthening or restoring to a safe condition of any portion of a sign or structure declared unsafe by the Building Inspector. Such signs may be improved only to the extent that such improvement does not exceed fifty percent (50%) of the current market value of the existing sign structure.~~

~~Termination of Non-Conforming Signs/Amortization Schedule:~~

~~Any non-conforming sign or sign structure which is partially destroyed by fire, accident, or natural cause beyond fifty percent (50%) of its current market value shall thereafter be removed or reconstructed in conformance to the provisions of this ordinance.~~

~~Any non-conforming sign or sign structure which is improved and altered to comply with the provisions of this ordinance shall thereafter be considered as conforming.~~

~~All other non-conforming signs or aggregate sign conditions, other than outdoor advertising signs, shall be removed, changed, altered or otherwise made to conform according to the following schedule:~~

All Signs

<u>Original Construction Cost</u>	<u>Amortization Period</u>
0-\$750	1 year
\$751-\$2,750	2 years
\$2,751 to \$5,000	3 years
\$5,001 to \$7,000	4 years
Greater than \$7,000	5 years

The amortization shall begin as of the initial effective date of this ordinance.

For the purposes of this Section, existing signs and sign structures prohibited by this ordinance shall be treated as non-conforming.

The owner or operator of the sign must furnish acceptable proof of the sign's original cost in the form of:

Original value from sign permit, if available.

An original bill of sale, including installation costs, and fees.

Depreciation schedules from federal or state tax returns showing original cost.

Upon the determination of the District that a sign remains non-conforming after termination of the allowable time periods provided for hereinabove, the District shall notify the sign owner and/or the owner of the land on which the non-conforming sign is located and such owner shall have thirty (30) days after such written notice within which to remove said sign. At the end of the thirty (30) day period, if the sign has not been removed or brought into compliance, the sign owner and/or the owner of the land on which the non-conforming sign is located will be guilty of violating the provisions of this ordinance as set forth in Part 209 Chapter 10.

Abandonment or obsolescence of a non-conforming sign shall terminate immediately the right to maintain such a sign.

Any non-conforming on-premise sign shall be removed or brought into compliance with this ordinance immediately upon a change in the principal use or ownership of the site.
