

BOARD OF ANIMAL HEALTH

Subpart 2

Ch. 09 - Livestock Sales

Movement Of Cattle Through Livestock Markets, Commission Markets, Stockyards, Or Public Auctions Or Other Places Of Livestock Trading Or Slaughter Establishments

100.02 BACK TAGGING REQUIREMENTS - all cattle of age and class, designated by the Mississippi Board of Animal Health, that are consigned to slaughter must be back tagged by market personnel with tags furnished by the Mississippi Board of Animal Health and the United States Department of Agriculture. Back tags shall be applied in accordance with instructions issued by the Mississippi Board of animal health. The proper location for slaughter cattle shall be in the small hollow behind and near the top of the shoulder. Back tags shall be removed only by persons authorized by the Board. The livestock auction market shall provide necessary facilities for carrying out this requirement and shall make available the complete name and address of the person selling such animals.

100.03 It shall be the duty of the operator or manager of each livestock barn, commission barn, or auction sale or place of livestock trading to notify the State Veterinarian by writing 30 days prior to holding such sales.
