***Rule 10.2 References' Qualifications*** - At least three (3) of the five (5) references must be currently licensed; however, it is desirable that all the references be qualified to evaluate the applicant's training and experience. All references should know the applicant personally. A “referencing” Professional Engineer may be licensed in any state in the United States or in Canada or by the Japan PE/FE Examiners Council (JPEC), or other national licensing authorities as approved by the Board.
