1. Describe the need for the proposed action: There are some typos in the current regulations. Second, the placard system needs to be updated in a way that is helpful and more informative to consumers.
2. Describe the benefits which will likely accrue as the result of the proposed action: These regulation amendments will benefit the consumers and retail shoppers of Mississippi. The amendments will help consumers to understand retail food establishment inspections better.
3. Describe the effect the proposed action will have on the public health, safety, and welfare: The amendments will allow the regulations to be more reflective of Department inspections. They will allow consumers to be more aware of the most recent inspections.
4. Estimate the cost to the agency and to any other state or local government entities, of implementing and enforcing the proposed action, including the estimated amount of paperwork, and any anticipated effect on state or local revenues: None

5. Estimate the cost or economic benefit to all persons directly affected by the proposed action: None
6. Provide an analysis of the impact of the proposed rule on small business: Minimal
 - a. Identify and estimate the number of small businesses subject to the proposed regulation: 2500
 - b. Provide the projected reporting, recordkeeping, and other administrative costs required for compliance with the proposed regulation, including the type of professional skills necessary for preparation of the report or record: None
 - c. State the probable effect on impacted small businesses: Consumers may ask store management to see a copy of the most recent store inspection report, but consumers could already do this.
 - d. Describe any less intrusive or less costly alternative methods of achieving the purpose of the proposed regulation including the following regulatory flexibility analysis: None
 - i. The establishment of less stringent compliance or reporting requirements for small businesses;
 - ii. The establishment of less stringent schedules or deadlines for compliance or reporting requirements for small businesses;
 - iii. The consolidation or simplification of compliance or reporting requirements for small businesses;
 - iv. The establishment of performance standards for small businesses to replace design or operational standards required in the proposed regulation; and
 - v. The exemption of some or all small businesses from all or any part of the requirements contained in the proposed regulations:
7. Compare the costs and benefits of the proposed rule to the probable costs and benefits of not adopting the proposed rule or significantly amending an existing rule: The benefit is that consumers will be more informed of Department inspections.
8. Determine whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rule where reasonable alternative methods exist which are not precluded by law: None
9. Describe reasonable alternative methods, where applicable, for achieving the purpose of the proposed action which were considered by the agency: None
10. State reasons for rejecting alternative methods that were described in #9 above: N/A
11. Provide a detailed statement of the data and methodology used in making estimates required by this subsection: N/A
