

Chapter 14: Certification

Rule 14.19 Educator and Principal Evaluation Systems

All public schools and districts are required to use an evaluation system comprising of at least the measures listed below:

Certified Staff

- Observations
- Student Surveys
- Student Outcomes
 - Tested and Non-tested Educators
- School Outcomes

Administrator

- Observations
- Staff/Educator Surveys
- School Outcomes

The educator evaluation system will provide summative feedback annually to educators and administrators. The system is focused on improving both professional practice and student outcomes by providing educators and administrators with feedback to inform continuous improvement at the classroom, school, district, and state levels.
