This Regulation is promulgated pursuant to the authority and requirements of the Mississippi Administrative Procedures Law.
- 101 Applicability
This Regulation shall be applicable to all matters falling within the jurisdiction of the Commission and the Commissioner except to the extent a statute of the State of Mississippi provides otherwise. This Regulation is in addition to and supplements those statutory provisions which may be applicable.
- 102 General Purpose
The Agency regulates most tax matters in the State of Mississippi. The Mississippi State Tax Commission’s responsibilities also include the regulation of alcoholic beverages, property taxes, motor vehicle tag and titles, issuing permits and certain business registrations. The Commission and Commissioner interpret the statutes that they are charged to administer and enforce.
- 103 Definitions
When used in this Regulation:
1. "Agency" or "Mississippi State Tax Commission" means the various offices, bureaus, and divisions of the Mississippi State Tax Commission that incorporate the functional duties and responsibilities of the Commissioner as authorized by law.
2. "Commission" means the Chairman of the Mississippi State Tax Commission and the two Associate Commissioners of the Mississippi State Tax Commission.
3. "Commissioner" means the Chairman and Commissioner of Revenue of the Mississippi State Tax Commission.
4. "Denial" means the final decision of the staff of the Agency to deny the claim, request for waiver or application being considered. In this context, staff of the Agency does not include the Review Board or Commission. "Denial" does not mean the act of returning or refusing to consider a claim, request for waiver, or application for permit, title or tag

by the staff of the Agency due to a lack of information and/or documentation unless the return or refusal is in response to a representation by the person who filed the claim, request for waiver, or application in issue that information and/or documentation indicated by the staff of the Agency to be lacking and can not or will not be provided.

5. "Last known address," when referring to the mailing of a notice of intent to suspend, revoke or to order the surrender and/or seizure of the permit, tag or title or to the mailing of a denial of permit, tag or title, means the last mailing address of the person being sent the notice as it appears on the record of the agency in regard to the permit, tag or title in issue. All other references to "last known address" mean the official mailing address that the hearing officer, the Review Board or the Commission Secretary has for the addressee in their file on the administrative appeal in which the document or item is being mailed to the addressee. The addressee is presumed to have received any document or item mailed to his official mailing address. It is the responsibility of the addressee to make sure that his official mailing address is correct.

6. "Mail", "mailed" or "mailing" means placing the document or item referred to in First Class United States Mail, postage prepaid, addressed to the person to whom the document or item is to be sent at the last known address of that person. Where a person is represented in an administrative appeal before a hearing officer, the Review Board, or the Commission by a representative, the terms "mail", "mailed" or "mailing" when referring to sending a document or item to that person shall also mean placing the document or item referred to in First Class United States Mail, postage prepaid, to the last known address of that person's representative. Mailing to the representative of a taxpayer, permittee, tag holder or title interest holder shall constitute mailing and notice to the taxpayer, permittee, tag holder or title interest holder.

7. "Permit" means a type of license or permit that the agency is authorized to issue, suspend or revoke, such as a sales tax permit, a beer permit, a tobacco permit, a dealer license, or designated agent status, but does not include any type of permit issued under the Local Option Alcoholic Beverage Control Law, Section 67-1-1, et seq. or under the Mississippi Native Wine Law of 1976, Section 67-5-1, et seq.

8. "Permittee" means a person holding a permit, applying for a permit or renewing a permit.

9. "Person" means a natural person, partnership, limited partnership, corporation, limited liability company, estate, trust, association, joint venture, other legal entity or other group or combination acting as a unit, and includes the plural as well as the singular in number. "Person" includes the state, county, municipal, other political subdivision and any agency, institution or instrumentality thereof, but only when used in the context of a taxpayer, permittee, tag holder, or title interest holder, or in the context of a person requesting guidance under Section 9 of this regulation.

10. "Refund Claim" means a claim made in writing by a taxpayer and received by the Agency wherein the taxpayer indicates that he overpaid taxes to the Agency and requests a refund of the overpayment and/or a credit against current or future taxes for the overpayment.

11. "Representative" means an individual who represents a person in an administrative appeal before a hearing officer of the agency, before the Review Board, or before the Commission.

13. "Review Board" means the Board of Review as legally constituted and authorized by statute comprised of those qualified employees appointed by the Chairman of the State Tax Commission.

14. "Tag" means a type of license tag or plate for a motor vehicle or trailer that the agency is authorized under Mississippi Motor Vehicle Privilege Tax Law, Sections 27-19-1, et seq., or under the Motor Vehicle Dealer Tag Permit Law, Sections 27-19-301, et seq., to issue or approve before issuance, but does not include other types of license tags or plates issued by the county tax collectors except for personalized license tags and only to the extent that the Agency determines under Section 27-19-48 that a personalized license tag applied for is considered obscene, slandering, insulting or vulgar in ordinary usage or demands the surrender or orders the seizure of the tag where issued in error.

15. "Tag holder" means the person in whose name a tag is registered or the person applying for a tag.

16. "Tag penalty" means the penalties imposed under Sections 27-19-63 and 27-51-43 for any delinquency in the payment of motor vehicle privilege tax and ad valorem tax on a motor vehicle which can be waived by the Agency for good reason shown. Pursuant to Section 27-51-103, imposition of this ad valorem tag penalty at the maximum rate of twenty-five percent (25%) also results in ineligibility for the credit against motor vehicle ad valorem taxes provided by that statute. Waiver of the twenty-five percent (25%) delinquency penalty by the agency under Section 27-51-43 shall reinstate credit eligibility.

17. "Tax" means a tax, fee, penalty and/or interest which the agency is required by either general law or by local and private law to administer, assess, and collect.

18. "Taxpayer" means any person or fiduciary liable for or having paid any tax to the Agency.

106 Adoption of Rules and Regulations

106.01 Authority to adopt rules and regulations

The Commission and/or Commissioner are authorized by statute to promulgate rules and regulations consistent and complementary with the law to enforce the laws administered by the Agency. A rule or regulation is a statement of general applicability that implements, interprets, or prescribes policy or describes procedure or practice of the Agency and may include responsibilities of a person not specifically required by statute or by an existing rule or regulation, but this does not include those items excluded in Mississippi Code 25-43-1.102 (i) from the definition of "rule". The terms "rule" and "regulation" are synonymous of each other and the Commission and Commissioner use both terms in referring to the rules they adopt and promulgate. The following discussion of the rule making process applies not only to rules but also to regulations.

106.02 Rule adoption process

With the exception of emergency rules as outlined in Paragraph J of this section, adoption of a new rule or regulation or the amendment of an existing rule is a multi-step process including the following:

1. Drafting the rule or rule amendment.

When the need for a rule or rule amendment is determined, a proposed rule is drafted by Agency personnel for review and discussion with the Commission or Commissioner.

2. Preparing economic impact statement.

a. An estimate of the costs and benefits to the public, Agency, or to any other government entity of implementing and enforcing the proposed rule and any anticipated effect on state or local revenues will be prepared by the Agency when required and as provided by 25-43-3.105 of the Mississippi Code. A summary of this economic impact statement will be filed with the Secretary of State for publication along with the Commission's or Commissioner's notice of intent to adopt a rule or rule amendment. Any additional information that the Agency determines may be useful will be included in the statement.

- b. An interested party may submit any specific concerns about the economic impact statement during the public comment period to the Agency contact person provided in the notice of intent to adopt a rule.
 3. Notice of intent to adopt a rule or rule amendment.
 - a. A notice of intent to adopt a rule or rule amendment will be prepared including information pertaining to how interested persons may comment on the proposal. The notice of intent to adopt a rule will include a statement of the purpose and effect of the rule, a summary of the rule and its estimated costs, opportunities for public comment, and the text of the rule.
 - b. The notice will be sent to the Secretary of State and to interested parties who are on the Agency Rule Notification Register.
 4. Providing opportunity for interested parties to comment.
 - a. An opportunity for public participation by means of a public comment period will be provided. The notice of intent to adopt a rule or rule amendment will advise the public of its right to comment and provide information concerning how, when, and where to respond.
 - b. Interested or affected individuals or entities may comment in writing at any time during the public comment period. All written comments should be mailed or delivered to the Commission Secretary within the provided time period for public comment.
 - c. The Commission or Commissioner may hold a hearing prior to the final adoption of a proposed rule or amended rule. Public comment will be accepted at the hearing as provided in this section. Written comments received or comments made at the hearing are not binding, but will be considered by the Commission or Commissioner in determination of the final form of the rule or rule amendment.
 - d. The Commission or Commissioner may designate an officer for the purpose of presiding over said hearing and for documenting attendance and comments made. The presiding officer can be a member of the Commission, the Commission Secretary, or an employee of the Agency.
 - e. The hearing date will be scheduled for a date that is at the minimum twenty (20) days after the notice of the proposed rule is filed with the Secretary of State. The hearing will be open to the public. Anyone wishing to make a presentation at the hearing should notify, in writing, the Commission Secretary no less than seventy-two (72) hours prior to the scheduled hearing time. The written request to speak must include a brief description of the position that will be presented.
 - f. The presiding officer may limit the time allotted to each speaker. The number of speakers addressing a specific position on an issue may be limited by the presiding officer to prevent undue repetition at the hearing. In the event speakers representing a specific position are limited, the speakers selected to speak to their position will be determined based upon order of receipt of the request. The speaker will be notified of the time allotted and if the speaker is denied due to cause of repetition or failure to timely request opportunity to speak at the hearing.
 - g. A record of all persons or entities requesting opportunity to speak will be maintained. This record will include the written requests to speak at the public hearing and any denials for cause of repetition or untimely filing of request to participate in the public hearing. All persons participating or unable to participate in

the hearing may submit written comments at any time during the public comment period.

h. All persons in attendance will be requested to sign a register to document their attendance at the hearing. A printed agenda including the names of all speakers and their positions on issues concerning the proposed rule will be provided to those in attendance.

5. Filing the rule for adoption

The Commission and/or Commissioner may change, alter, or delete any provisions of the proposed rule after the public comment period unless such change, alteration, or deletion would prevent the rule from being finally adopted per Section 25-43-3.107 of the Mississippi Code. The Commission and/or Commissioner will file the final form of the rule or rule amendment with the Secretary of State. The effective date is thirty (30) days after filing with Secretary of State unless another date later than the required thirty (30) days required is specified in the law or rule.

6. Obtaining information on proposed rule.

a. The Agency will maintain the Agency Rule Notification Register of all persons or entities that have requested notices for all proposed rule changes. The Agency will send notice on all proposed rules or rule amendments to these persons by mail. A fee for this service will be charged for mailing the notice and billing will accompany all notices. A *minimum* fee of \$25 will be charged for each notice that is mailed. Failure to remit the fee as provided will forfeit any future mailings until such fee has been paid. Any interested person may be included on the mailing register for all proposed notices by writing to Commission Secretary. It is a person's responsibility to provide and keep a correct address on file with the Agency.

b. If a person desires notice on all proposed rules and is agreeable to receive the notices by e-mail, there will be no charge for this service. Any interested person may be included on this register by writing to the Commission Secretary. If email preference is not specified, notice will be sent by mail which includes a fee.

c. A person may also request a copy of a proposed rule or rule amendment on a single time basis by contacting the Agency as provided above. For any mailed document, the minimum fee is still applicable.

d. Rule information may also be obtained on the Agency web site.

7. Rule making record

a. The Agency will maintain a current rulemaking docket that contains a listing of the subject matter of possible rules under active consideration within the Agency.

b. The rulemaking docket shall include all information related to the rule in process. Included will be:

i. The subject matter of the proposed rule,

ii. Reference to all published notices relating to the proceeding,

iii. Where written submissions or written requests for an opportunity to make oral presentations on the proposed rule may be inspected,

iv. The time during which written submissions may be made,

v. Where and when oral presentations may be made,

- vii. The current status of the proposed rule, and
 - viii. The date of each rule's adoption and when the rule becomes effective.
 - c. All materials, submissions, reports, and other information that relates to each rule adoption process and procedure will be maintained at the main offices of the Mississippi State Tax Commission and will be available for public inspection by contacting the Commission Secretary.
- 8. Repeal of a rule

If the Commission and/or Commissioner determine that an existing rule should be repealed, the process followed will be the same procedure as for adoption of a new rule or amendment to a rule.
- 9. Termination of the proceeding

The Commission and/or Commissioner may determine that the rule or rule amendment should not be adopted after the notice of proposed rule but prior to adoption of the rule. In such event, notice of a termination will be filed with the Secretary of State and notice will be provided to those persons listed on the Agency Rule Notification Register.
- 10. Emergency rules
 - a. The Commission or Commissioner may determine that an imminent peril to the public health, safety, or welfare requires adoption of a rule with less than twenty-five (25) days notice as normally provided.
 - b. In such event, the Commission or Commissioner will notify the Secretary of State of the need for an emergency rule, the form of the rule, and the effective dates of the rule. There will be no public hearing or public comment period provided.
 - c. The Commission or Commissioner will determine if the need for the emergency rule continues, and if so, will begin the process to adopt the rule permanently as provided in this section.

107 Hearings and Appeals

Effective July 1, 2005, a new statutory uniform administrative and judicial appeal procedure from certain acts of the Agency was established. The administrative appeal process described in this section is based on this new statutory uniform administrative and judicial appeal procedure and is applicable to all administrative and judicial appeals brought under this new statutory procedure. This new statutory procedure is not however applicable to any assessment, refund claim, request for waiver of tag penalty or the suspension, revocation, surrender, seizure or denial of a permit, tag or title or the administrative appeal or judicial appeal thereof where the initial date of said assessment, refund claim, tag penalty, suspension, revocation, denial, surrender or seizure is before July 1, 2005. Anyone seeking an administrative appeal or a judicial review of an action of the Agency where the initial date of the action is prior to July 1, 2005 is directed to consult the applicable administrative appeal and judicial review statutes in effect at the time of the action to determine the proper procedures to be followed and not the provisions of this section.

107.01 Administrative Appeal

This section describes the administrative appeal process applied when a person is aggrieved by certain actions of the Agency. Typically, that action is an assessment of tax

when the taxpayer does not agree tax is due; however, the action may also include a denial of refund, assessment of penalties or interest, and other similar items. The intent of the administrative appeal process is to secure a just resolution or decision.

107.02 Administrative Appeal Process

With the exception of an appeal of a tag penalty, this section does not describe the administrative appeal process relating to actions of the Commission and/or the Agency regarding ad valorem taxes and homestead exemption. An administrative appeal from these actions shall be as prescribed by statute. This section also does not describe the administrative appeal process of actions taken by the Commission and/or the Agency under the Local Option Alcoholic Beverage Control Law and/or under the Mississippi Native Wine Act of 1976. The administrative appeal process for such ABC actions is already described in the ABC Regulations of the Commission.

1. Informal Review

- a. The person may seek an informal review of any assessment or other action believed incorrectly issued or any refund improperly denied.
- b. In the case when an auditor or examiner determines additional tax is due, the person should first attempt to resolve any questions with the auditor or examiner. If unable to reach an agreement of the audit results with the auditor, a conference with the auditor's supervisor or the supervisor's designee may be arranged. This conference should provide opportunity to both parties to gain a thorough understanding of the basis of the assessment and to make sure that the facts of the case are correct and complete.
- c. An informal review may be granted for any situation, but is not required before seeking administrative appeal. The person may continue to attempt to resolve an issue informally with Agency staff once the formal appeal process has begun but the informal review does not toll the time limit to appeal to the Review Board.

2. Representation

A person may represent himself or may choose to have a representative at any point throughout the appeal process. Hearings before the Review Board, a hearing officer, or the Commission are considered confidential and are not open to the public; however, the appellant may permit another person(s) to attend the hearing and to participate as deemed appropriate or necessary.

3. Interest continues to accrue on unpaid balances.

Filing an appeal does not stop interest charges from accruing on any unpaid tax liability. In some situations, penalties may also continue to accrue.

4. Written requests for Administrative Appeal

- a. The taxpayer or person appealing must request a hearing in writing. The written request for appeal should include a statement of the relief being sought and the amount of tax, fees, interest and/or penalty, or the action in dispute. The request should also include the tax identification or tax account number, type of tax and tax periods involved, and the reason the taxpayer or person appealing disagrees with the assessment or action.
- b. The request must include the person's mailing address and the name and address of his designated representative, if any. It is the responsibility of the person appealing to provide and maintain an official mailing address on file with the Review Board

- and/or Commission Secretary. Any change of address during the appeal process must be made in writing and addressed to the body in which the appeal is pending. This address change is for the appeal process only and does not include any address change to tax account information maintained by the Agency.
- c. The timeline for appeals are explained further in this section. A request for appeal not received within the time periods provided below will be dismissed.
5. Notice of hearing.
 - a. A person or the authorized representative will be notified of the hearing by mail at the last known address. The last known address will be the mailing address provided in the written request of appeal.
 - b. The hearing notice will contain the time, place, and date of the hearing. Notice to the person's or taxpayer's authorized representation constitutes notice to the person or taxpayer.
 6. Continuance of hearing
 - a. A request for a continuance of the hearing will be routinely granted if the request is received within ten (10) days after the notice of the hearing is mailed. If the request for continuance is received beyond ten (10) days, then the determination to continue the hearing will be decided by the Chairman of the Review Board or the Commissioner.
 - b. The Tax Commission will not be responsible for delay in the delivery or mail.
 7. Confidential hearings

All hearings are closed to the public due to the confidential nature of the subject matter. However, through written authorization, the person appealing may waive the right to a closed hearing.
 8. Items not subject to appeal.

Items, in general, not subject to administrative appeal include but are not limited to:

 - a. Certain bond amounts,
 - b. Penalty rate increases,
 - c. Declaratory Opinions,

 10. Timeline for filing appeals

- a. Assessment of tax, denial of refund, or denial of a waiver of tag penalty:
 - i. The taxpayer, if aggrieved by an assessment of tax, penalty, interest, a denial of a refund, or by a denial of a waiver of tag penalty, may apply for a hearing before the Review Board.  - i. If the Agency determines that an application for a permit, tag, or title should be denied, the applicant will be notified either by mail or in person of the Agency's intention to deny the permit, tag, or title. If the denial involves an application for a title, the notice will also be mailed to the designated agent who submitted the title application and any other alleged title interest holders shown on the application. If the applicant or any title interest holder appearing on the application is aggrieved by the denial of application, the aggrieved party shall file a written appeal with the Review Board within thirty (30) days of the notice. The matter will become final after thirty (30) days if not appealed.

permit, tag, or title, or the title interest holder files within thirty (30) days from the date of the order in the chancery court seeking a review of the order.

11. Review Board hearing

a. With exception of matters administered by the Office of Alcoholic Beverage Control and Commission actions related to Ad Valorem Tax, a taxpayer or person in disagreement with an assessment, refund, or other appealable action of the Agency may request a hearing before the Review Board. Three members of the Review Board shall constitute a quorum and may hear any matter before the Review Board; however, an appeal of the intent to revoke, suspend, or order for seizure or surrender of a permit, tag, or title may be heard by a panel of the Review Board or by a hearing officer.

b. Upon timely receipt of a written request from the person appealing or an authorized representative, the Review Board shall promptly schedule a hearing for consideration of the appeal. At the hearing, the Review Board shall decide the issues presented according to applicable law and the facts.

c. A decision in favor of the person appealing may be made without a hearing when the facts are not in dispute, the issues are clearly identified, or the law has been applied to similar situations in previous decisions.

d. There will be no official transcript or recording made of a Review Board hearing. The official record of the hearing will be the minutes and orders of the Review Board which are confidential for all tax matters. Review Board hearings shall be informal and the rules of evidence will be relaxed.

e. The person requesting the hearing or the person's authorized representative will be asked to discuss the facts supporting the claim to provide explanation of how the law supports that claim. Representatives of the Agency may also be asked to discuss the facts in support of the action or cause.

f. The Review Board may request the person appealing the matter or Agency staff to provide additional information and/or documents during the course of its review. Time limits for submission of the additional information or documents will be established by the chair of the Review Board. If the person from whom information or documents are requested fails to respond to the request in the time provided, the Review Board may decide the appeal without the supplemental documents or information.

g. An Order will be issued after the Review Board has fully considered the information provided at the hearing, any post-hearing information, and the laws specific to the case. The chair of the Review Board will prepare the order and mail it to the person or authorized representative. Notice to the authorized representative constitutes notice to the person appealing.

h. The Review Board may elect to uphold the assessment, to amend the assessment, to issue a revised assessment, to issue a refund or credit, to remand the issue to the originating division for further work, or any other action it deems appropriate. If the person remains aggrieved with the decision of the Review Board, the action may be appealed to the Tax Commission.

12. Commission hearing

a. Any authorized appeal must be timely made to the Commission in writing. The Commission shall consider the appeal request and notify the person appealing or his

authorized representative of the time and place fixed for the hearing. Any two members of the Commission constitute a quorum and may hear all appeals.

b. The person or the authorized representative will be asked to discuss the facts and documents in support of the claim and to explain how the law supports that claim. Commission hearings shall be informal and the rules of evidence will be relaxed.

c. The Commission may request the person appealing the matter or Agency staff to provide additional information and/or documents during the course of its review. Time limits for submission of the additional information or documents will be established by the chair of the Commission. If the person from whom information or documents are requested fails to respond to the request in the time provided, the Commission may decide the appeal without the supplemental documents or information.

d. The Commission may elect to uphold the assessment or action, to amend the assessment, to issue a revised assessment, to issue a refund or credit, to remand the issue to the Review Board or originating division for further work, or any other action it deems appropriate. The Commission may also request the person appealing, Agency staff, or both to submit proposed findings of fact, conclusions of law, orders, and/or briefs.

e. After the Commission has fully considered the information provided at the hearing, any post-hearing information, and the laws specific to the case, it shall issue its order conveying its decision in regard to the appeal which order is considered confidential for all tax matters excluding ad valorem tax. The Commission Secretary will mail the order to the person appealing or the designated representative. Notice to the person's authorized representative constitutes notice to the person appealing.

f. In Commission hearings involving tax determinations, the hearing will not be transcribed since any judicial review of the Commission decision will involve a full evidentiary judicial hearing. However, these hearings will be tape-recorded.

g. The Commission hearings regarding beer, tobacco, or sales tax permits, and tag or title matters will be recorded by a court reporter. Hearings before the Commission regarding Alcoholic Beverage Control (ABC) matters shall be held as provided in ABC Regulations.

13. Withdrawal of an appeal

a. An appeal before a hearing officer, Review Board, or Commission may be withdrawn by the taxpayer or person filing the appeal at any time. The withdrawal may be made voluntarily by the person or may occur involuntarily under the following conditions.

b. An involuntary withdrawal of an appeal may occur as result of the person failing to appear at a scheduled hearing, failing to timely provide a written appeal in lieu of attendance at a hearing, or by any other act or failure that the body hearing the appeal determines represents a failure on the part of the person to defend his appeal. An involuntary appeal will be documented in the minutes providing the basis of the withdrawal.

c. A voluntary withdrawal of appeal must be received in writing and sent by the person or authorized representative to the chairman of the Review Board if the appeal is before the Board, or to the Commission Secretary if the appeal is before the Commission.

d. Following a withdrawal of an appeal, the action shall become final and not subject to further review by the Review Board, Commission or a court. The agency shall then proceed with any action in accordance with the law.

14. Judicial review

a. Any person aggrieved by the final Order of the Commission may seek a judicial review of that decision as provided by law. The petition shall be filed against the State Tax Commission and must include a concise statement of facts as contended by the person appealing, identify the order from which the appeal is being taken, and set out the type of relief sought.

b. The petition for a review of an assessment of tax must include a bond double the amount in controversy conditioned to pay the judgment of the court. The bond must be issued by a surety company qualified to write surety bonds in Mississippi. Alternatively, the taxpayer may pay the assessment, under protest, prior to filing the petition and seek a refund of such assessment.

c. In a petition involving a revocation, suspension, seizure, order to surrender, or denial of a permit, tag, or title, the petition shall contain certification that the petitioner has paid to the Commission Secretary the estimated cost of preparation of the entire record of the Commission on the matter for which a review is sought.

d. The person or the State Tax Commission may appeal an order of the chancery court to the state Supreme Court.

108 Requests for Guidance

1. Any taxpayer or person seeking information concerning their responsibilities and requirements with the laws administered by the Agency may request advice and guidance concerning those obligations. The requests may be through an informal means such as oral advice or letter rulings, or formally through a declaratory opinion.

2. Taxpayers or other persons may also obtain publications of the Agency that provide information useful to complying with the laws administered by the Agency. Most printed publications of the Agency may also be found on the Mississippi State Tax Commission website.

108.01 Oral advice.

1. Many questions may be answered easily over the telephone or in person by an agent of the Commissioner. Advice given at audit meetings or conferences with Agency employees is considered oral advice. Oral advice is considered advisory only and is non-binding.

2. Taxpayers or persons who have complicated questions or issues driven by their own particular business facts and circumstances should seek a letter ruling on the matter or request further advice from the Agency as provided.

108.02 Letter rulings.

1. Taxpayers or other persons may seek guidance by submitting a written request for a letter ruling to the Commission Secretary.

2. When asking for instruction on a specific issue, it is necessary to provide adequate information in order to accurately answer the question. Because the correspondence is

based on one person's specific facts and circumstances, the response is restricted to the taxpayer or person making the request for information and the specific facts involved.

3. This written response is considered informal guidance; however, the taxpayer or person requesting the letter ruling may rely on the response absent a law or regulation change and provided that the information presented is factual and complete with no material omissions and no changes have been made with regard to the information provided.

4. If the Agency should at a later date determine that its response was incorrect, the letter ruling will be retracted in writing and the effect of the retraction will be prospective from the date of the retraction letter forward.

5. Notwithstanding a written retraction of the letter ruling, a law or rule change, or the person's particular circumstances altering the issue under discussion, a letter ruling will be valid for a period of seven (7) years from the date of its issuance. At the end of the seven (7) year period, the person should review and update the information in his original request for information and re-submit the question to the Agency.

6. Any letter rulings written by the Agency prior to the adoption of this regulation will be considered valid for a period of seven (7) years from this regulation's adoption date notwithstanding a written retraction of the letter ruling, a law or rule change, or the person's particular circumstances altering the issue under discussion.

7. The Agency will accept anonymous requests for a letter ruling, such as in the case of a voluntary disclosure, but the response will not be binding until the identity of the person has been disclosed to the Agency. The name and other identifying information of the anonymous entity should be provided within ninety (90) days of the date of the letter ruling. The letter ruling will be considered non-binding if the identity of the entity is not provided within the time period provided.

8. Notice to the person's authorized representative constitutes notice to that person. It is the person's continuing obligation to inform the Agency of the identity and address of its representation.

108.03 Declaratory Opinions.

1. Scope of rules.

These sections set forth the Agency's rules governing the form and content of requests for declaratory opinions, and the Agency's procedures regarding the requests, by Mississippi Code Ann. § 25-43-2.103.

2. Persons who may request declaratory opinions.

Any person with a substantial interest in the subject matter may submit a written request to the Agency for a declaratory opinion by following the specified procedures. "Substantial interest in the subject matter" means that the interest must be direct, immediate, and not remote in consequence. A "substantial interest" is one that surpasses the common interest of all citizens.

3. Subjects that may be addressed in declaratory opinions.

The Agency will issue declaratory opinions regarding subject matters that are within the primary administrative responsibility of the Agency. Subject matters within the oversight of the Agency include the applicability of specified facts to a statute administered or enforced by the Agency or a rule promulgated by the Commission or Commissioner. The

Agency will not issue a declaratory opinion regarding a statute or rule beyond the administration of the Agency.

4. Circumstances in which declaratory opinions will not be issued.

The Agency may, for good cause, refuse to issue a declaratory opinion. Without limiting the generality of the foregoing, the circumstances in which declaratory opinions will not be issued include, but are not necessarily limited to:

- a. The matter is outside the primary jurisdiction of the Agency.
 - b. The question presented lacks clarity, the facts provided are non-sufficient to provide a conclusive determination, or the information is too vague or too broad to provide an answer.
 - c. A pending or active audit, criminal tax investigation, anticipated litigation, administrative action, or other determination before the Agency or court which may either answer the question presented or otherwise make an answer unnecessary on subject matter under question is in progress.
 - d. The statute, rule, or order on which a declaratory opinion is sought is clear and not in need of interpretation to answer the question presented.
 - e. The confidentiality waiver on the Declaratory Opinion Transmittal Form is not signed and provided to the Agency with the request for a declaratory opinion.
 - f. The request fails to contain information required by these rules or the requestor failed to follow the procedure set forth in this rule.
 - g. The request seeks to resolve issues that have become moot, are abstract, or involve multiple hypotheticals such that the requestor is not substantially affected by the rule or statute on which a declaratory opinion is sought.
 - h. No controversy exists concerning the issue as the requestor is not faced with existing facts or those certain to arise which raise a question concerning the application of the statute or rule.
 - i. The question presented by the request concerns the legal validity of a statute or rule.
 - j. The requesting party is not directly affected by the application of the statute, rule or regulation.
 - k. No clear answer is determinable.
 - l. The question presented involves the application of a criminal statute or facts that may constitute a crime.

 - n. The request involves an issue that may adversely affect the interests of the State, the Commission, or any of the Agency's officers or employees in any litigation that is pending or may reasonably be expected to arise.
5. Form of the request for a declaratory opinion.
- a. A written request for a Declaratory Opinion, including a completed Declaratory Opinion Transmittal Form, is required. Each request must be printed or typewritten, or must be in legible handwriting. Each request must be submitted on standard business letter-size paper. Requests may be in the form of a letter addressed to the Commission Secretary or in the form of a pleading as might be addressed to a court.
 - b. All requests must be mailed or delivered to the Commission Secretary. The request and any envelope shall clearly state that it is a request for declaratory opinion.

Oral, telephone, or facsimile requests are not acceptable. The request must include a completed transmittal form as prescribed by the Commissioner and executed confidentiality waiver signed by the taxpayer or person requesting the declaratory opinion.

c. Each request must include the full name, telephone number, and mailing address of the requestor. All requests shall be signed by the person filing the request or a duly authorized representative. The signing party shall attest that the request complies with the requirements set forth in these rules. A declaratory opinion will have no effect if it is later determined the request did not comply with the requirements of this rule.

d. A request must be limited to a single set of facts and each request shall contain the following:

i. Clear identification of the statute, rule, or order at issue;

ii. Concise statement of the issue or question presented for the declaratory opinion;

iii. Complete and accurate statement of all facts relevant to a resolution of the question presented;

iv. Identity of all known persons involved or impacted by the factual situation causing the request, including their relationship to the facts, name, mailing address, and telephone number;

v. Statement sufficient to show that the person seeking relief is substantially affected by the statute, rule, or regulation.

e. A request may contain relevant information to support a position or proposed opinion suggested by the requestor. The argument may be submitted in the form of a brief containing a full discussion of the reasons, including any legal authorities in support of such position of the requestor.

f. The Agency may request that additional information be submitted by any interested party.

6. Time for Mississippi State Tax Commission's response.

a. Within forty-five (45) days after the receipt of a request for a declaratory opinion which complies with the requirements of these rules, the Agency will respond in writing by one of the following:

i. Issue an opinion declaring the applicability of the specified statute, rule, or order to the specified circumstances;

ii. Decline to issue a declaratory opinion, stating the reasons for its action;

iii. Agree to issue a declaratory opinion or a written decision declining to issue an opinion by a specified time but no later than ninety (90) days after receipt of the written request.

iv. The forty-five (45) day period will begin on the first State of Mississippi business day after the request is received by the Agency.

b. Responses may be sent to the authorized representative in lieu of the requesting party or the person signing the request.

7. Public availability of requests and declaratory opinions.

Declaratory opinions and requests for declaratory opinions are available for public inspection. The taxpayer must sign a confidentiality waiver to authorize the Agency to disclose the contents of the declaratory opinion.

102 General Requirements

1. Under the authority granted to the Mississippi State Tax Commission under Mississippi Code 27-3-81, the Mississippi State Tax Commission may require consistent with the cash management policies of the State Treasurer, that any person owing \$20,000.00 or more in connection with any return, report, or other document to be filed with the commission, can be required to remit any such tax liability by electronic funds transfer.
2. Effective January 1, 1994, the Mississippi State Tax Commission will implement an EFT program which will require certain taxpayers subject to the following taxes to remit tax payments by electronic funds transfer:
 - a. Gaming
 - b. Insurance Premium
 - c. Beer Excise
 - d. Timber Severance

- e. Tobacco Wholesale
 - f. Oil Severance
 - g. Gas Severance
3. The Mississippi State Tax Commission will periodically make a determination of additional tax types to be added to the EFT program. Threshold amounts will be established at that time to determine if payments made by a taxpayer subject the taxpayer to the EFT tax payment program.
 4. The Mississippi State Tax Commission will make an annual determination of those taxpayers who will be required to pay a tax electronically based on prior year payment thresholds. The determination as to which taxpayers shall be subject to the remittance provisions of this rule is made by the Mississippi State Tax Commission, on a tax type by tax type basis, and is based on annual payments made to the State Tax Commission during a calendar year.
 5. All taxpayers selected for the EFT program shall participate for a minimum of one year. Persons selected on the basis of prior year tax payments will be contacted by the Mississippi State Tax Commission at their last address of record. Once selected for the EFT requirement, the taxpayer must electronically transmit all payments for that tax type as provided in this rule. The Mississippi State Tax Commission will also review payments on an interim basis to identify additional taxpayers who will be required to make payments in accordance with the procedures stated in this rule.
 6. The State Tax Commission will provide the selected taxpayers with forms necessary for registering to make payments for the taxes through EFT. The State Tax Commission will provide the taxpayers with instructions and procedures for paying the taxes through EFT.
 7. The State Tax Commission will provide technical assistance and guidance to the taxpayers concerning the payment of taxes through EFT. An EFT hotline will be available to the taxpayers from 8:00 a.m. through 5:00 p.m. (Central Standard Time) each business day, with the exception of state holidays.

103 Selection of Taxpayers

1. On an annual basis, the State Tax Commission will review the most recent twelve-month period of payment history for a taxpayer, on a tax type by tax type basis, to determine if the payment history requires the taxpayer to make payments for the tax type using EFT. If the taxpayer was not previously required to make payments for the tax type using EFT, a determination will be made as to whether the taxpayer should be required to make payments for the tax type using EFT. If the taxpayer was previously required to make payments for the tax type using EFT, a determination will be made as to whether the taxpayer should continue to be required to make payments for the tax type using EFT.
2. On an interim basis, the State Tax Commission will review payment transactions, on a tax type by tax type basis, to identify those transactions which equal or exceed the threshold amount. Taxpayers who were not previously selected as being required to make payments for a tax type using EFT and who make payments in amounts equal to or in excess of the threshold amount will be required to use EFT for the tax type.

104 Notification of Taxpayers

1. Prior to the date of the first required payment, the State Tax Commission will mail a written notice to all taxpayers selected in the annual review of transactions informing them that they are required to make payments for a tax type using EFT. The notice will identify the tax types to be paid using EFT; will provide instructions pertaining to the payment methods available to the taxpayer; and will provide the taxpayer with the form "Registration Application For Electronic Funds Transfer."
2. The taxpayer will be required to return a properly and fully completed registration application to the State Tax Commission for each tax type the taxpayer was selected to pay using EFT or will provide a written statement explaining the reason the taxpayer should be exempted from the requirement to make payments for a tax type using EFT. The taxpayer will use the registration application to make an election as to which payment method the taxpayer will use. A taxpayer who elects to use the ACH Credit payment method in lieu of the ACH Debit payment method must file a written request with the registration application to use the ACH Credit method. The request must state the reason for requesting the ACH Credit payment method.
3. If the State Tax Commission receives no response from the taxpayer within ten (10) days, the State Tax Commission will provide the taxpayer with a second notice, utilizing certified mail. No response on the part of the taxpayer will subject the taxpayer to all applicable penalties, interest and loss of applicable discount, upon the taxpayer making a payment equal to or in excess of the threshold amount for that period.
4. Upon substantiation by the taxpayer to the satisfaction of the State Tax Commission that the taxpayer will not be making payments for a tax type equal to or in excess of the threshold amount for the period, the department shall waive the requirement to make payments for the tax type by EFT. If the taxpayer subsequently makes a non-EFT payment, in an amount equal to or in excess of the threshold amount for the period the taxpayer was previously selected to make payments using EFT, the taxpayer may be subject to all applicable penalties, interest, and loss of discounts.

105 Registration of Taxpayers

1. The taxpayer shall properly and fully complete the form "Registration Application For Electronic Funds Transfer", provided by the State Tax Commission, and return the registration application to the State Tax Commission by the date specified by the State Tax Commission. Pertinent taxpayer information provided by the application will be recorded and provided to the Data Collection Center. The information which may be required to be provided includes:
 - a. Taxpayer name
 - b. Taxpayer address
 - c. Tax type
 - d. Tax code / account number

 - m. Written verification from the taxpayer's bank confirming the bank routing and transit number and the bank account number of taxpayer

Upon receipt of taxpayer information from the Mississippi State Tax Commission, the Data Collection Center shall assign a confidential access code to the taxpayer which will be used by the taxpayer to communicate payment information to the Data Collection Center. The access code shall be provided to the taxpayer prior to the date the first required payment is due under the EFT program.
 3. A taxpayer must provide at least a 30 day written notice of any change of information required by submitting a revised "Registration Application For Electronic Funds Transfer" to the State Tax Commission.

106 Payment Alternatives

1. The ACH Debit payment method will be the primary method used by taxpayers to make payments for a tax type using EFT. The ACH Credit method is a payment method available only to taxpayers with permission of the State Tax Commission. Fedwire is not an EFT payment method alternative available to taxpayers. Fedwire is used only on an emergency basis with prior authorization by the Mississippi State Tax Commission.
2. The State Tax Commission will grant taxpayers permission to use the ACH Credit method on a case by case basis. A taxpayer who requests permission to use the ACH Credit method must submit a written request to the State Tax Commission, which demonstrates the existence of a valid business operational reason for using the ACH Credit payment method in lieu of the ACH Debit payment method. A taxpayer who is already using the ACH Credit method to pay vendors, and is already successfully using the ACH Credit method to pay taxes for other jurisdictions is deemed to have a valid business reason for using the ACH Credit method to make payments for Mississippi taxes.
3. The Tax Commission reserves the right to revoke the ACH Credit method payment privilege of any taxpayer for the following reasons:
 - a. Failure to consistently transmit error-free payments
 - b. Substantial variation from the requirements and specifications of these rules
 - c. Failure to make timely EFT payments or to provide timely payment information
 - d. Failure to provide the addenda record, required by these rules, with the EFT payment

107 Procedures for Payment ACH Debit

1. Taxpayers who elect to use the ACH Debit payment method in making EFT payments for tax types shall use the following procedures in communicating payment information to the Data Collection Center.
2. Prior to contacting the Data Collection Center the taxpayer will record the following information to transmit to the Data Collection Center:
 - a. Tax payment amount
 - b. Tax period covered
 - c. Tax type

- d. The taxpayer will compute the verification code. See definition for verification code.
3. The taxpayer must report payment information to the Data Collection Center no later than 3:30 p.m. (Central Time) on the business day before the due date of the payment. The Data collection Center must be called, using the specified toll-free number, during the call-in period specified in the detailed instructions provided to taxpayers. The Tax Commission will bear the costs of processing EFT payments through the Data Collection Center. Communication by the taxpayer during the call-in period is mandatory to assure the timely posting of the taxpayer's payment on the following business day.
4. The Data Collection Center will receive the information provided by the taxpayer and will compute the verification code. If the exchange of information is correct, the verification code computed by the Data collection Center will be identical to the verification code computed by the taxpayer.
5. If the verification code computed by the Data Collection Center is identical to the verification code computed by the taxpayer, the Data Collection Center will confirm this to the taxpayer. The taxpayer will record the date and time of the call as an audit trail of the payment.
6. If the verification code is not identical, the Data Collection Center will ask the taxpayer to provide the information again, until it can be verified that the exchange of information is correct.
7. Successful completion of the call to the Data Collection Center will fulfill the taxpayer's obligation for initiating an ACH Debit transaction.
8. The payment of taxes through EFT does not relieve the taxpayer from filing the appropriate tax returns or applicable information returns required by the Tax Commission. Taxpayers must complete any EFT payment indicators on the form. If an EFT payment indicator is not available, the taxpayers must boldly and legibly indicate on the face of the return that payment was made using EFT. The required returns are filed in the normal manner.

108 Procedures for Payment ACH Credit

1. The State Tax Commission will allow certain taxpayers to use the ACH Credit payment method. It is the intent of the Tax Commission to examine each taxpayer's compliance with the requirements of this rule. If a taxpayer has elected the ACH Credit payment method but repeatedly fails to correctly complete the payment transactions in accordance with the procedures stated in these rules, the State Tax Commission may in its discretion require the taxpayer to make future payments by the ACH Debit payment method.
2. To assure the timely receipt of payment for a tax type, a taxpayer must ensure that the financial institution originating the transaction does so in sufficient time for the payment to be deposited as immediately available funds to the State Treasury on or before the appropriate due date of payment.
3. All ACH Credit transactions must utilize the NACHA CCD+ entry with a TXP Banking Convention addenda record. The TXP Banking Convention addenda record requires the following information:
 - a. Taxpayer's identification number
 - b. Tax type code

- c. Tax period end date
 - d. Payment type
 - e. Amount of payment
4. If the taxpayer repeatedly fails to provide the State Tax commission with the required addenda record which conforms to the requirements of the State Tax Commission, the taxpayer may be required to use the ACH Debit method.
 5. A taxpayer who elects to use the ACH Credit payment method will first determine the total amount of tax due with respect to the tax type for which the payment is being made. At a time arranged between the taxpayer and taxpayer's financial institution, the taxpayer will provide the taxpayer's financial institution with the information necessary and TXP Banking Convention. A timely ACH Credit transaction will be initiated and posted as immediately available funds to the State of Mississippi's bank account on or before the due date of the payment.
 6. Taxpayers electing to use the ACH Credit payment method are responsible for coordinating with their financial institutions to ensure that ACH Credit payments are timely initiated. The impact of prescribed ACH time frames and nightly cycles as well as the impact of weekends and holidays must be considered.
 7. Taxpayers must file the required returns. Any EFT payment indicators on the form must be completed. If an EFT indicator is not available, taxpayers must boldly and legibly print on the face of the return that payment was made using EFT. Tax returns for which payment was made using EFT must be mailed to the following address:
Mississippi State Tax Commission
EFT Unit
P. O. 960
Jackson, MS 39205

109 Payment Procedures Wire Transfers

1. Taxpayers who, due to circumstances beyond their reasonable control, are unable to initiate a timely payment of tax through the ACH Debit method may request the State Tax Commission's permission, on an exception basis, to transmit payments of tax to the State Treasurer's account via wire transfer. Prior to initiating the transmission, the taxpayer must contact the State Tax Commission. The taxpayer must present the emergency situation which prevents timely compliance under the ACH Debit method and request verbal approval to wire transfer the tax payments in question to the State Treasury.
2. Taxpayers who are granted verbal approval to use wire transfer as an exception to the ACH Debit method will be given specific instructions regarding the payment information that must accompany the wire transfer.
3. All wire transfers must be accompanied by an addenda record, in the format specified by the State Tax Commission, which may include the following information:
 - a. Taxpayer's account number
 - b. Tax type
 - c. Document type
 - d. Amount of payment
 - e. Tax period

4. Wire transfers which are not received by the State Treasury on or before the due date of the transmitted payments of tax will constitute late payment and the applicable late filing penalties, interest, and loss of collection allowance shall apply.
5. As originator of this ACH transaction, the cost of each Fedwire will be paid by the taxpayer.

110 Requirements for Filing Returns

1. The requirement to use EFT to make tax payments does not change any current filing requirements for the tax returns. If the EFT payment is not timely made or the tax return required is not filed by the due date, the provisions for late payment penalties, late filing penalties, interest, and loss of applicable discount shall apply under the provisions of the appropriate revenue laws of the Mississippi Code of 1972, unless otherwise provided in this rule.
2. Most return forms will have an EFT payment indicator for the taxpayer to complete. In the absence of an EFT payment indicator, taxpayers must boldly and legibly print on the face of the return that payment was made using EFT.
3. The filed return and EFT payment shall be coordinated by the State Tax Commission.
4. Tax returns for which payment was made using EFT must be mailed to the following address:

Mississippi State Tax Commission
EFT Unit
P. O. Box 960
Jackson, MS 39205

111 Penalties for Noncompliance

1. The provisions of the Mississippi Code of 1972 shall govern the administration of any tax, interest, or penalty assessed due to late EFT payments.
2. No specific additional penalty provisions are provided concerning compliance with the EFT tax payment requirement. Rather, the general provisions for all taxpayers apply. To avoid the imposition of penalties, timely filing of the tax return along with timely payment in accordance with the provisions of the Mississippi Code of 1972 and the provisions of this rule is required.
3. Failure of a taxpayer to respond to the notification from the State Tax Commission concerning the required use of EFT to make payments for a tax type or failure to timely or properly make EFT payments in accordance with this rule shall subject the taxpayer to applicable penalty, interest, and loss of discount, as provided by the Mississippi Code of 1972 for delinquent or deficient tax payments. If payment is made for a tax type for which a taxpayer was selected to make payments using EFT, and the payment is made in a method which is not in accordance with the procedures stated in this rule, a delinquent payment penalty for that tax type as specified in the Mississippi Code of 1972 may be assessed. In addition to any penalty which may be imposed, interest shall be added to the amount of tax due from the due date of the tax payment to the date that the funds become available to the State Treasury. It is presumed, in the absence of evidence to the contrary, that said funds will be available on the third business day following receipt of payment.

4. Penalties may be waived when the circumstance causing delinquency are beyond the control of the taxpayer. Errors made by the Data Collection Center, the State Treasury or the State Tax Commission which result in a late payment by the taxpayer shall not subject the taxpayer to late payment penalties, interest, or loss of applicable discount for the late payment.

5. When a taxpayer uses the ACH Debit payment method, the State of Mississippi's bank is the originating bank and is responsible for the accuracy of the transmission. If the taxpayer timely initiated the ACH Debit transaction, received a reference number, and can show adequate funds were available in the bank account, no penalties shall apply with respect to the payment if the transaction was not properly completed.

6. When a taxpayer uses the ACH Credit payment method, the taxpayer's bank is the originating bank and the taxpayer is primarily responsible for the accuracy and proper completion of the transaction. The taxpayer must show timely initiation for the CCD+ entry and the required TXP Banking Convention addenda record, that there were sufficient funds in the account and that the financial institution properly completed the transaction in a timely manner in order to prove timely compliance. If the taxpayer can make this showing, then no penalties shall apply with respect to the payment if the transaction was not properly completed.

7. A taxpayer who is required to make EFT payments and who is unable to make a timely payment because of system failures within the Automated Clearing House System, which are beyond the taxpayer's control, shall not be subject to penalty or interest for late payment or loss of applicable discount.

112 Voluntary Use of EFT to Pay Taxes

1. Those taxpayers who are not required to make EFT payments for any tax type may request permission from the State Tax Commission to make EFT payments for a tax type that is being implemented by the Mississippi State Tax Commission.

2. Taxpayers making a voluntary election to make EFT payments for a tax type are subject to the provisions of this rule as are those taxpayers who are required to make EFT payments.

3. Written applications for voluntary participation in the EFT program must be filed with the Mississippi State Tax Commission at least 30 days prior to the due date of the payment(s) in question by filing form "Registration Application For Electronic Funds Transfer." Once accepted for voluntary participation in the EFT program, taxpayer must remain in the program for one year. Taxpayers may terminate voluntary participation, after one year, by filing a written request for termination with the Mississippi State Tax Commission at least 30 days prior to the due date of the last EFT payment.

extend a grace period of no more than two business days for taxpayers to resolve unexpected problems which may arise in financial institution, Federal Reserve facilities, or the Automated Clearing House system, resulting in the taxpayers making late payments. To qualify for a grace period, the taxpayer must demonstrate that a good faith attempt was made to comply with the provisions of these rules, that due diligence was exercised to initiate the payment timely and correctly, and that sufficient funds were available in the taxpayer's bank account, or that circumstances beyond the taxpayer's reasonable control prevented compliance by the required date.

114 Change in Taxpayer Information

A taxpayer must provide at least 30 days written notice of any change of information required by submitting a revised "Registration Application For Electronic Funds Transfer" to:

Mississippi State Tax Commission

115 Legal Holidays

1. Taxpayers who are required to remit tax payments through EFT must initiate the transfer so that the amount due is deposited as collected funds to the State Treasurer's account on or before the due date under the appropriate revenue law. If a tax due date falls on a Saturday, a Sunday, a legal holiday as defined in the Mississippi Code of 1972, or a legal holiday of the jurisdiction in which the taxpayer's financial institution is located, the deposit by electronic funds transfer is required on or before the preceding banking day. If the day on which the taxpayer is required to initiate the ACH Debit transfer falls on a Saturday, Sunday, or a business or banking holiday, the taxpayer must initiate the transaction on the preceding business day.

103 Responsibility of Persons or Entity Served to Withhold and Remit Monies Levied by Distress Warrant.

It is the responsibility of the person or entity served with a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) to remit to the Mississippi State Tax Commission monies levied by the Distress Warrant. The extent to which monies are levied by the Distress Warrant are governed by garnishment laws of this State and will vary depending on the type of indebtedness for which said monies are owed to the taxpayer(s) and the existence of a prior warrant or garnishment. The extent to which monies are levied and required to be remitted under a Distress Warrant is as follows:

1. Wages, Salary and Other Employment Compensation

A Distress Warrant For The Levy Of Monies Owed To Taxpayer(s) being issued by the Chairman and Commissioner of Revenue for the Mississippi State Tax Commission for the collection of state taxes is excepted from the restrictions contained in Miss. Code Ann. S85-3-4 (1) and (2), as amended, and 15 U.S.C. S1673(a), as amended, on attachment, execution, or garnishment of wages, salaries or other employment compensation. Without these restrictions, the entire disposable earnings of a taxpayer are subject to being levied. Recognizing the hardship that would result if a person's entire disposable earnings are levied for an extended period of time, it is hereby determined that in most cases the amount of wages, salaries or other employment compensation owed to a delinquent taxpayer which is to be levied

and withheld under a Distress Warrant should be less than the entire disposable earnings, and unless otherwise determined and directed as authorized under subdivision (2) below, the amount of wages, salary or other employment compensation owed to a delinquent taxpayer which is to be levied by Distress Warrant for the Levy of Monies Owed to Taxpayer(s) is hereby limited to the following:

a. Wages, Salary or Other Employment Compensation Owed during First Thirty Days after Service.

Monies owed to the defaulting taxpayer(s) for wages, salaries or other employment purposes are not bound by the Distress Warrant for the first thirty (30) days after service of the Distress Warrant, and such monies which become due to the defaulting taxpayer before or during this initial thirty (30) day period for wages, salary or other employment compensation are to be paid over to the defaulting taxpayer(s).

b. Wages, Salary or Other Employment Compensation Owed after Initial Thirty Days Period.

For all monies for indebtedness for wages, salary or other employment compensation which becomes due to the defaulting taxpayer(s) after the initial thirty (30) day period, the employer shall withhold twenty-five percent (25%) of the defaulting taxpayer(s)' disposable earnings per pay period until the Distress Warrant for the Levy of Monies Owed to Taxpayer(s) is satisfied. Disposable earnings is that part of the earnings of an individual remaining after the deduction from those earnings of any amounts required to be withheld by law.

c. Wages, Salary or Other Employment Compensation Owed for the Final Pay Period Where Employment Is Terminated.

If the defaulting taxpayer leaves the employment of the person or entity served with a Distress Warrant For The Levy Of Monies Owed To Taxpayer(s) after the initial thirty (30) day period from service of the warrant, the employer shall withhold one hundred percent (100%) of the defaulting taxpayer(s) final disposable earnings or such lesser amount that will satisfy the warrant.

2. Reservation of Authority to Increase or Decrease the Amount of Wages, Salary or Other Employment Compensation Levied by Distress Warrant

The authority to increase or decrease the amount or percentage of wages, salary and other employment compensation levied under a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) from that set out in subsection (1) above is hereby reserved by the Chairman and Commissioner of Revenue. In such cases where a different amount or percentage of disposable earnings from that set out in subsection (1) above is determined to be levied and withheld under a distress warrant, the Distress Warrant for the Levy of Monies Owed to Taxpayer(s) issued to levy such wages, salary and other employment compensation in a different amount or percentage from that set out in subsection (1) above shall clearly set out the amount or percentage of disposable earnings to be levied and withheld under said Distress Warrant.

3. Indebtedness Other Than For Wages, Salary or Other Employment Compensation

Monies owed to the defaulting taxpayer(s) for indebtedness other than for wages, salary or other employment compensation are levied and bound by a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) at the time that this warrant is served up to the amount of the warrant. The person or entity served is required to withhold all monies owed to the defaulting taxpayer(s) at the time of service of the warrant for such non-employment indebtedness up to the amount of the warrant. In regard to such non-employment indebtedness, a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) also binds and requires to be withheld any monies for such indebtedness which becomes due to the defaulting taxpayer(s) after service of the warrant, but before the expiration of the thirty (30) day period during which the person or entity served has to answer the warrant to the extent that monies previously bound under the warrant are not sufficient to satisfy the warrant. The aggregate of all monies bound and withheld under the warrant, whether for non-employment indebtedness which was due at the time of service or which became due during the first thirty (30) days after service, shall not exceed the amount of the warrant.

4. Multiple Warrants, Garnishments or Orders of Withholding

If the person or entity served by a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) is subject to multiple warrants and/or garnishments of the same defaulting taxpayer(s), the order in which such warrants and garnishments are to be withheld and satisfied is to be governed by Miss. Code Ann. S11-35-24 with the warrant being treated as if it is a garnishment. This priority does not, however, apply to an Order of Withholding under Miss. Code Ann. S93-11-111 in regard to the defaulting taxpayer(s), since, by statute, such Order of Withholding is not considered to be a garnishment. If the person or entity served with the Distress Warrant for the Levy of Monies Owed to Taxpayer(s) is at the time of service of the warrant or at some later time required to withhold from defaulting taxpayer(s)' wages under an Order of Withholding for child support, the full amount of the monies to be withheld under the warrant is still to be withheld per pay period to the extent that there are disposable earnings remaining after the monies under the Order of Withholding have been withheld. The person or entity served is to withhold first for the amount under the Order of Withholding and then for the amount under the warrant. In such cases, the amount of disposable earnings which is levied under the warrant is to be determined as with any other warrant without any deduction or adjustment for the monies paid under the Order of Withholding. The amount resulting from this computation will be the amount to be withheld and remitted under the warrant unless it is greater than the difference between the total amount of disposable earnings and the amount to be withheld under the Order of Withholding in which case this difference will be the amount to be withheld and remitted.

5. Remittance of Monies Bound under Distress Warrants for the Levy of Monies Owed to Taxpayer(s)

- a. Monies Withheld From Wages, Salary or Other Employment Compensation. Unless otherwise authorized, all monies from wages, salary or other employment compensation which are bound and levied by a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) shall be remitted to the Mississippi State Tax Commission within thirty (30) days from the end of the pay period for which such monies were withheld from disposable earnings of the defaulting taxpayer(s).

b. Monies Levied for Non-Employment Indebtedness

Unless otherwise authorized, all monies for non-employment indebtedness which is bound and levied by a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) shall be remitted to the Mississippi State Tax Commission within thirty (30) days from the date that the answer to the Distress Warrant for the Levy of Monies Owed to Taxpayer(s) is due.

c. Payments of Monies Levied under Distress Warrants to Reflect Taxpayer(s)' Name, Warrant Number and Control Number

All payments to the Mississippi State Tax Commission of monies levied under a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) shall reflect the name of the defaulting taxpayer(s), the warrant number and the control number of the warrant.

d. Request for a Change in the Time Period for Payment

If a person or entity required to remit monies under a Distress Warrant for the Levy of Monies Owed to Taxpayer(s) desires a different time period for the remittance of monies from that set out in subsections (a) and (b) above, such person or entity can make a request to the Chairman and Commissioner of Revenue for a change in this period. Such a request shall be made in writing and shall include therein the reasons for requesting the change. Upon consideration of this request, the Chairman and Commissioner of Revenue or his designee shall advise the requesting person or entity as to whether the request is granted.

104 Personal Liability of Person or Entity Served with Distress Warrant for the Levy of Monies Owed to Taxpayer(s)
