ELECTIONS

Every year is an election year in Mississippi. Elections for all state offices and most county-level offices are held in years preceding presidential elections, which are held every four years. Most municipal elections are conducted in years immediately following presidential elections. The Secretary of State's Office trains and assists local election officials in the conduct of elections. The Secretary of State is statutorily authorized to certify certain election returns and to report to the Mississippi Legislature the electoral vote totals for statewide offices.

THE RIGHT TO VOTE

Registration Qualifications: Every United States citizen has the right to vote in Mississippi elections as long as he or she is:

Registrars must accept registration at any time during regular office hours. The registration application is kept as a permanent record. Registration must be accomplished at least 30 days prior to the election in which a citizen wishes to vote.

Mail-in voter registration forms are available at the Secretary of State's Office, in public libraries, driver's license examining stations, Circuit Clerks' Offices, Municipal Clerks' Offices, public schools, and online at the Secretary of State's website, (www.sos.ms.gov). Additionally, voters may register at certain state and federal agencies. The application must be postmarked or delivered to the registrar 30 days prior to the election in which a citizen wishes to vote.

Polling places and precincts are assigned to registered voters by the voter registrar. Voters who move from one precinct to another within the county or city must submit a written change of address to the voter registrar. Voters who move from county to county within the state must re-register in the new county of residence.

Y'all Vote (www.yallvote.ms), a site launched by the Secretary of State's Office, allows citizens to change their voter registration information by submitting an online application and prepares voters for casting a ballot on Election Day. Anyone who wishes to update name and address registration information online must already be a registered voter of Mississippi. Voters must also have a current and valid Mississippi driver's license or photo identification card issued by the Mississippi Department of Public Safety.

No Mississippian is required to declare a party preference in order to register to vote.

Permanently physically disabled voters may receive absentee ballots on a continuing basis by submitting an absentee ballot application along with a statement signed and sworn to by a licensed physician or nurse practitioner to the voter registrar.

Members of the military outside their county of voting residence, Mississippi

citizens residing overseas, and first responders deployed on Election Day may mail, fax, or e-mail a Federal Post Card Application (FPCA) to the voter registrar in the county of their voting residence. The FPCA may be obtained from their military command or employer or downloaded from the Secretary of State's website. The FPCA may be used to register to vote, request an absentee ballot, or both. In addition, Mississippi law allows military and overseas voters to receive by mail, fax, or e-mail from the voter registrar an absentee ballot and to return the voted absentee ballot also by mail, fax, or email to the voter registrar until 7:00 p.m. on the day of the election. If time constraints dictate, a military or overseas voter may use a federal write-in absentee ballot for voting, also available on the Secretary of State's website.

Absentee ballots voted in the office of the voter registrar must be cast by noon on the Saturday immediately preceding a Tuesday election.

Mailed, completed absentee ballots must be received by the voter registrar before 5:00 p.m. on the day before Election Day, except for military and overseas ballots which may be received by the voter registrar until 7:00 p.m. on Election Day.

Absentee ballot fraud is vote fraud and is a crime in Mississippi. A person convicted of vote fraud is subject to a fine of not less than \$500 nor more than \$5,000, or by imprisonment in the county jail for no more than one year, or by both fine and imprisonment, or by being sentenced to the state penitentiary for not less than one year nor more than five years. The law describing the crime and penalties is found in Miss. Code Ann. § 23-15-753 (1972).

VOTER IDENTIFICATION

All voters casting a ballot in person at the polls or casting an absentee ballot in the Circuit or Municipal Clerk's Office must present one of the following forms of acceptable photo ID:

- A driver's license
- A government issued photo ID card
- A United States passport
- A government employee identification card
- A firearms license
- A student photo ID issued by an accredited Mississippi university, college, or community/junior college
- A United States military ID
- A tribal photo ID
- Any other photo ID issued by any branch, department, agency, or entity of the United States government or any State government
- A Mississippi Voter Identification Card

If a voter does not have any of the acceptable forms of photo identification, a Mississippi Voter Photo Identification Card is available at no cost to the individual. Mississippi Voter Identification Cards may be issued by any of the 92 Circuit Clerks' Offices located throughout all of Mississippi's 82 counties. If an individual needs travel assistance to obtain a Mississippi Voter ID Card, it may be provided at no cost to the individual by contacting the MS Secretary of State's Office.

The Voter Identification requirement does not apply to any eligible voter casting an absentee ballot by mail, fax, or e-mail, a voter having a religious objection to being photographed, and a voter living and voting in a licensed nursing home or assisted living center.

A voter who does not present an acceptable form of photo ID or is unable to present an acceptable form of photo ID because of a religious objection is entitled to cast an affidavit ballot. The affidavit voter's ballot shall be counted if the voter completes an Affidavit of Religious Objection in the Circuit Clerk's Office within five (5) business days after Election Day.

A voter who cannot or does not present an acceptable form of photo ID for any reason is also entitled to cast an affidavit ballot. The affidavit voter's ballot shall be

counted if the voter presents an acceptable form of photo ID in, or obtains the Mississippi Voter Identification Card from the Circuit Clerk's Office within five (5) business days after Election Day.

The Voter Identification initiative, placed on the 2011 General Election ballot for statewide approval, was the result of a citizen driven initiative petition signed by 131,678 Mississippians. According to Mississippi law, petitioners were

required to gather a minimum of 89,285 certified signatures with at least 17,857 certified signatures from each of the five Congressional Districts as they existed in 2000 for the initiative to be placed on the ballot. More than 62% of Mississippi voters approved the proposed Constitutional Amendment to require electors appearing in person to vote to present an approved form of photo identification before being allowed to cast a ballot.

THE ELECTION PROCESS

The two major political parties in Mississippi are the Democratic Party of Mississippi and the Mississippi Republican Party. Other registered political parties include the Libertarian Party of Mississippi, Constitution Party of Mississippi, Green Party of Mississippi, and the America First Party of Mississippi. Candidates who do not align themselves with any political party are known as Independents.

Generally, political parties choose members to serve on county executive committees during county caucuses held the year after gubernatorial races. Party state executive committees are elected at congressional district caucuses and state party conventions. Municipal party executive committees are elected in the municipal party primaries, usually held the year following presidential elections.

Qualifying for Office: All candidates must meet the legal requirements to hold the office sought. Most qualifying deadlines are the same for both independent candidates and party candidates.

Party candidates pay qualifying fees and file qualifying papers with the municipal clerk or county circuit clerk or, in the case of state, state district, and legislative offices, with the Secretary of State's Office.

Independent candidates also pay qualifying fees and file petitions signed by a specified number of registered voters in the county, district, or ward from which election is sought with the municipal or county circuit clerk. The signatures on all petitions must be certified by the respective circuit clerk prior to filing with the appropriate office. Independent candidates for state, state district, and legislative offices file qualifying papers with, and pay the qualifying fee to the Secretary of State's Office.

- Never have been convicted of a felony in a court of this state, or, on or after December 8, 1992, of a felony in a federal court, or of an offense in the court of another state which is a felony under the laws of this state, as provided in Section 44 of the Mississippi Constitution; excluding, however, convictions of manslaughter

PRIMARY ELECTIONS

Party candidates are nominated during party primary elections. Voters cast ballots in the party primary election of their choice. If no candidate receives a majority of the votes, a run-off, or second primary election, is held between the two candidates with the most votes.

Run-offs are held either two or three weeks after the primary depending on the office.

Voters who cast a ballot in the first primary election of one party may not "crossover" and vote in the run-off election of another party. Persons who do not vote in a first primary election of either party may vote in any party's run-off election.

County or municipal party executive committees conduct party primary elections and certify party primary election returns. These certified returns are filed with the Circuit or Municipal Clerk's Office, respectively. Results of state, legislative, or state district primary elections are sent to the state party executive committee for certification. Certified results of state, legislative, and state district party primary elections are filed with the Secretary of State's Office.

NON-PARTISAN ELECTIONS

The elections for Supreme Court Justices, Court of Appeals Judges, Chancery Court Judges, Circuit Court Judges, and County and Family Court Judges are conducted as non-partisan races. Thus, candidates for these offices do not seek nomination in any party primary election and seek election solely as independent candidates. Judicial candidates submit qualifying fees and papers to the proper office by the appropriate qualifying deadline.

statewide elected offices must receive a majority of electoral votes. Candidates for Governor and other statewide elected offices must now only receive a majority of the popular votes in the general election.

The electoral vote totals are determined by state House of Representatives districts. The candidate who receives the most votes in an individual district is awarded the electoral vote for that district. With 122 House Districts in the State, a majority of electoral votes is 62.

GENERAL ELECTIONS

Party nominees, qualified independent candidates, candidates for non-partisan offices, and certain ballot measures like bond issues and constitutional amendments usually appear on general election ballots.

The Secretary of State issues the official “sample ballot” for state, legislative, and state district offices. Local election commissions issue the official “sample ballot” for county and municipal offices.

Usually, the candidate receiving the highest number of votes is elected in the general election. However, run-off elections are held usually three (3) weeks after the general election required for non-partisan judicial offices, certain school board elections, and special elections.

General elections are conducted by county election commissions or municipal election commissions. Voter registrars and the Secretary of State’s Office assist in the conduct of elections. Local election commissions file certified election returns with the Secretary of State’s Office.

ELECTORAL COLLEGE

Section 140 of the Mississippi Constitution of 1890 states, in order to be elected Governor or to any of the other statewide elected offices, a candidate must receive a majority of the popular vote in the general election and a majority of the electoral vote. However, in the 2020 General Election, voters approved House Concurrent Resolution 47 which removed the requirement that candidates for Governor or any of the other seven

CAMPAIGN FINANCE DISCLOSURE AND ORGANIZATION

Candidates for public office in Mississippi must follow state law regarding disclosure of their political contributions and expenditures. Political committees, groups that raise and donate money on behalf of candidates or balloted measures, also must follow the State's disclosure laws.

Any candidate who spends or receives more than \$200.00 in the aggregate must file all required campaign finance reports, even if qualifying papers have not yet been filed. Likewise, any group or political committee which spends or receives more than \$200.00 in the aggregate must file all required campaign finance reports and, in addition, must also register their political committee within ten days of receiving or spending more than \$200.00.

Candidates for state, state district, and legislative office file campaign finance disclosure reports with the Secretary of State's Office. County and county/district candidates file campaign finance disclosure reports with the appropriate Circuit Clerk's Office, and candidates for municipal office file campaign finance disclosure reports with the appropriate Municipal Clerk's Office.

All judicial candidates, except justice court judges, are required to establish candidate political committees to accept campaign contributions and make expenditures in furtherance of their campaigns. Candidate committees for judges are prohibited from soliciting donations earlier than 60 days before the candidate qualifying deadline and later than 120 days after the last applicable Election Day, according to Canon 5 Code of Judicial Conduct.

Candidates for federal office should contact the Federal Election Commission for campaign finance disclosure requirements.

CAMPAIGN FINANCE REPORT REQUIREMENTS:

Five types of campaign finance reports are required of all candidates, candidate's committees, and political committees. These reports are filed at different times.

1. Pre-election reports—Aggregate from January 1 through the 10th day before each election. Due date: the 7th day before any election. Candidates, candidates' political committees file before any election in which the candidates' names are on the ballot, and political committees file before any election in which the candidate or measure supported or opposed by the committee is on the ballot.

2. Periodic reports—Aggregate from January 1 through the due date. Periodic reports are due in gubernatorial and judicial election years. Due dates: May 10, June 10, July 10, October 10, and January 10.

3. Annual reports—Aggregate for the period from January 1 through December 31. Due date: January 31 except following gubernatorial election years, during which periodic reports are filed and judicial candidates in years they file periodic reports.

4. 48 Hour reports—Applies only to candidates. Reportable contributions received after the 10th day, but more than 48 hours before 12:01 a.m. on the Election Day, must be reported to the appropriate office within 48 hours of receipt.

5. Termination reports—May only be filed when contributions are no longer accepted, expenditures are no longer made, no outstanding debts or financial obligations are associated with the candidate or committee and the cash on hand balance is zero. A termination report contains all reportable activity since the last filed report. Unless and until a termination report is filed, every candidate and committee must file every required report.

Political initiative committees supporting or opposing any proposed constitutional initiative must file monthly initiative committee reports with the Secretary of State's Office.

Report Contents:

All reports must include:

- 1. Aggregated year-to-date totals**—Total year-to-date amount of contributions received and expenditures made must be reported by all candidates and committees.
- 2. Cash on hand**—All cash on hand must be reported and carried from year-to-year.
- 3. Contributions**—An itemized listing must be reported of each contributor who has contributed in the aggregate over \$200 year-to-date, including name, address, occupation, employer, date of each contribution, amount of each contribution, and year-to-date aggregate contribution.
- 4. Expenditures**—An itemized listing must be reported of each person or entity which has received in the aggregate over \$200.00, including name, address, occupation, employer, date of expenditure, amount of expenditure, and year-to-date aggregate expenditures.

Campaign finance disclosure forms may be obtained from the local voter registrar's office, the Secretary of State's Office, or downloaded from the Secretary of State's website at www.sos.ms.gov.

Statement of Economic Interest:

Candidates for public office must file a "Statement of Economic Interest" with the Mississippi Ethics Commission. The form may be obtained from the Mississippi Ethics Commission.

Technical Assistance:

Candidates, candidate's committees, and political committees are advised to review the appropriate statutes and state laws regarding the regulation and disclosure of campaign finances and other obligations and responsibilities. Miss. Code Ann. § 23-15-801 et seq. (1972).
